ACADEMICS

The academic background of Suburban students has been broadened with the change to semester courses in English and Social Studies. Such courses as Theater Arts, Mass Media, Religious Literature, Child Psychology, and Youth and the Law were offered. The Science, Foreign Language, and Math department, however, remain basically the same.

Band

This year's band was composed of 160 dedicated and hard working individuals. The band first got together in the summer for a week of preparation. The work paid off and a new show, "Decision '72," and new uniforms were shown off during the football season.

The Christmas season also brought something new — a Christmas concert performed in the gym during the three lunch periods. And finally in the spring, after months of rehearsing, came the annual concert.

Football

The York Suburban football team under the direction of a new head coach, Mr. John Schonewolf, captured third place in the league. Losing only one home game the whole season, the Trojans ended up with 6 wins and 3 losses in league play. Three members of the team were selected for the All County football team; they were Mike Graybill, Allan Pettit, and Rod Stauffer.

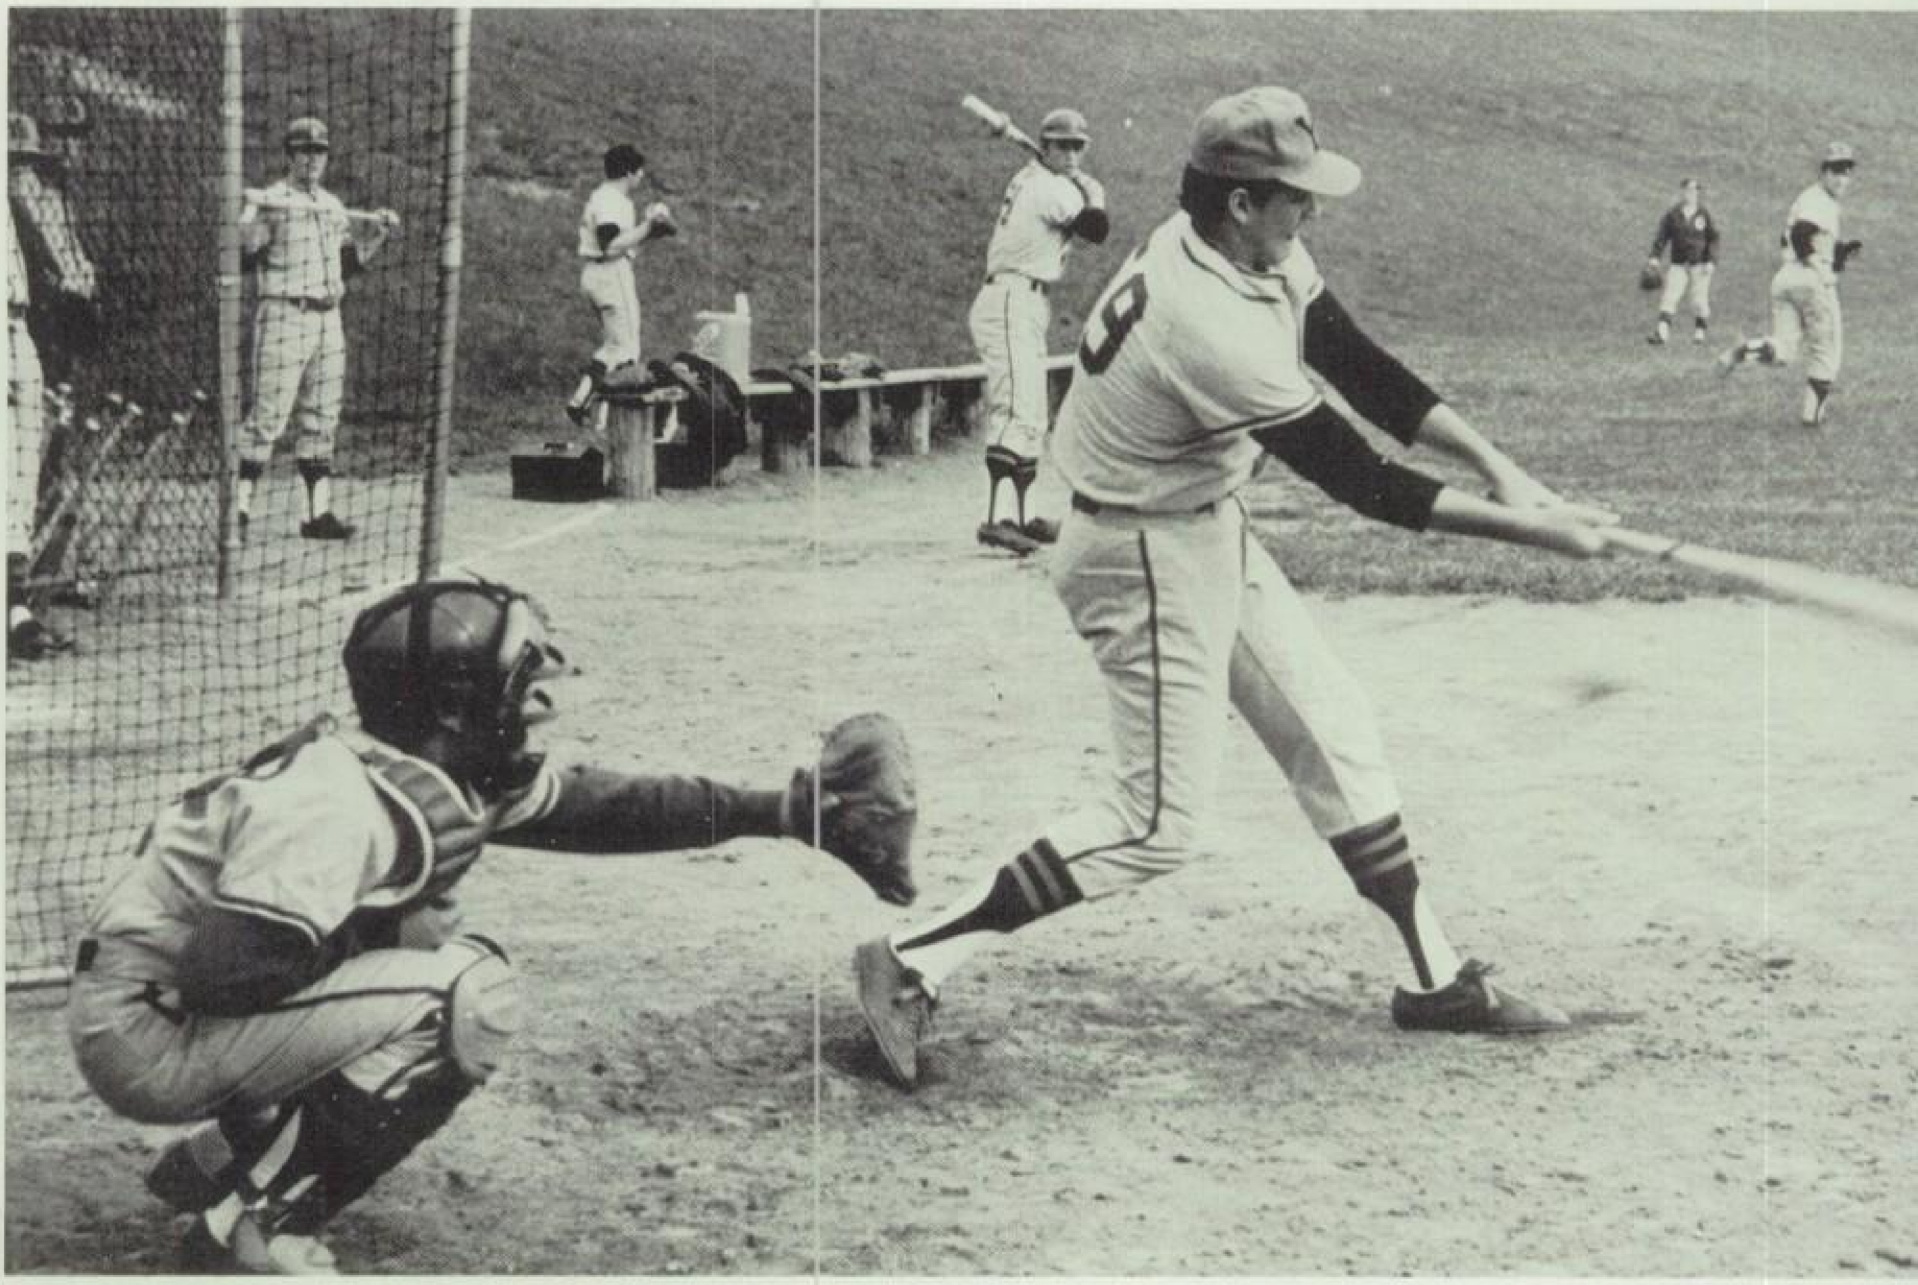
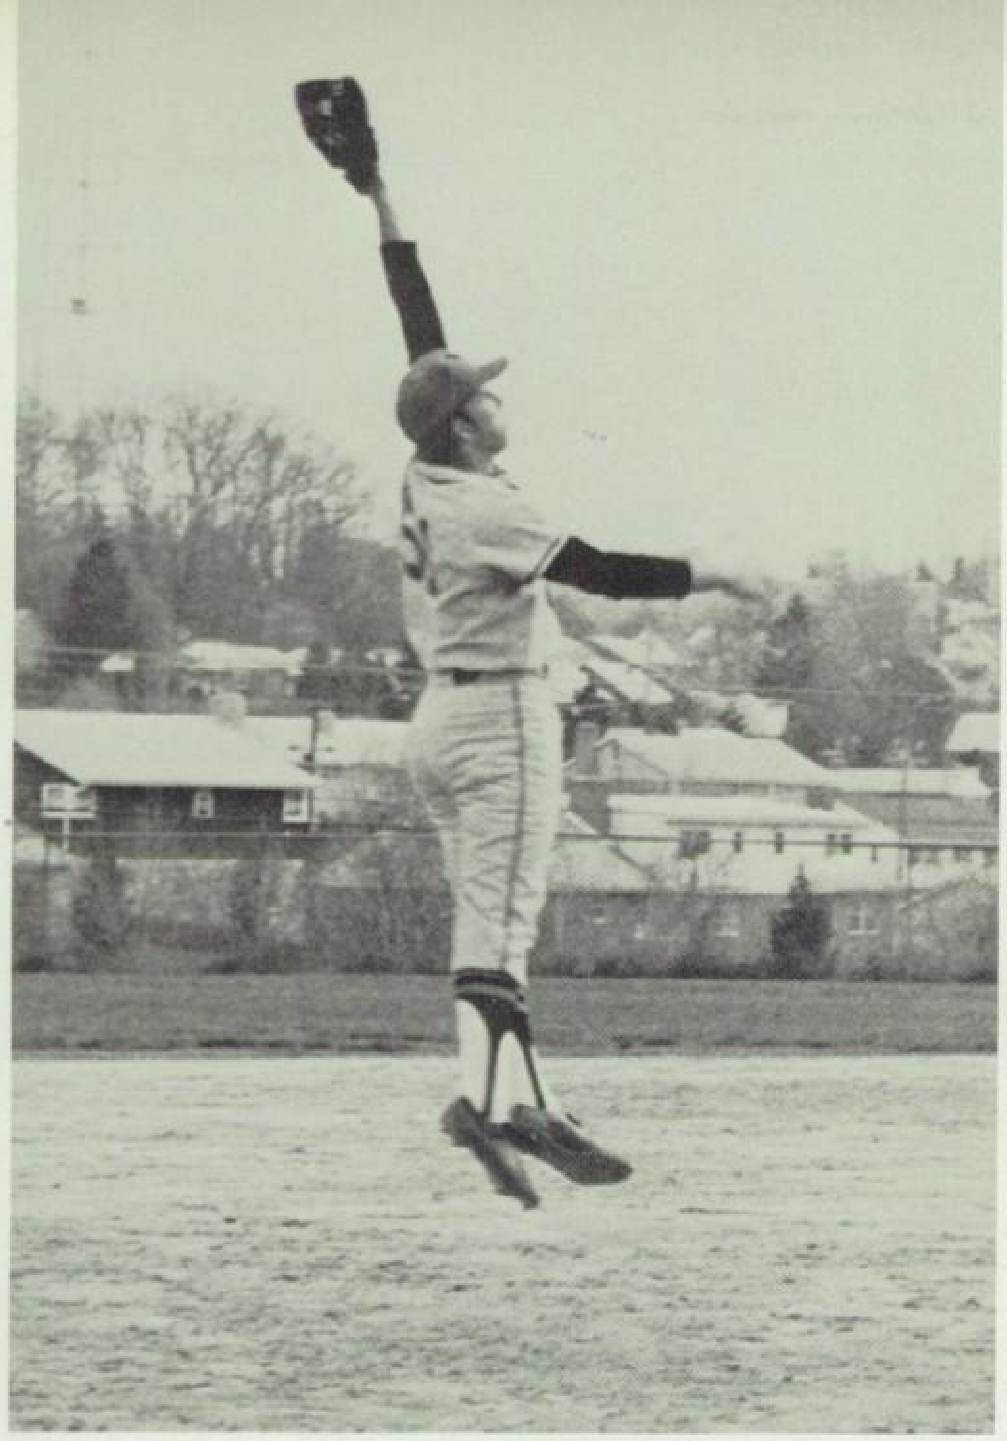
Field Hockey

Field Hockey was another Fall sport under the direction of a new coach. Miss Virginia Sterner led a team of forty girls to a tie for second place in YCIAA league standings. Their strongest point this year was defense. Some outstanding members of the team included Barb Pierce, Vicki Cook, and Jenny Thorsen. The final standings were:

wins	losses	ties
6	2	2





Baseball

Finishing another great year under the direction and coaching of Mr. Milton Bushey, the York Suburban Trojans retained their second baseball championship in three years. The decisive game for the county title took place at Memorial Stadium on May 24, 1972, when the Trojans emerged triumphant over Northeastern with a final score of 7-1.

A few of the many outstanding players were Scott Bupp, first baseman with the highest batting average of .476, and Jack Merrifield, shortstop and pitcher with a batting average of .364. The final standings were:

wins	losses	percentage
14	3	.823

CATHOLIC

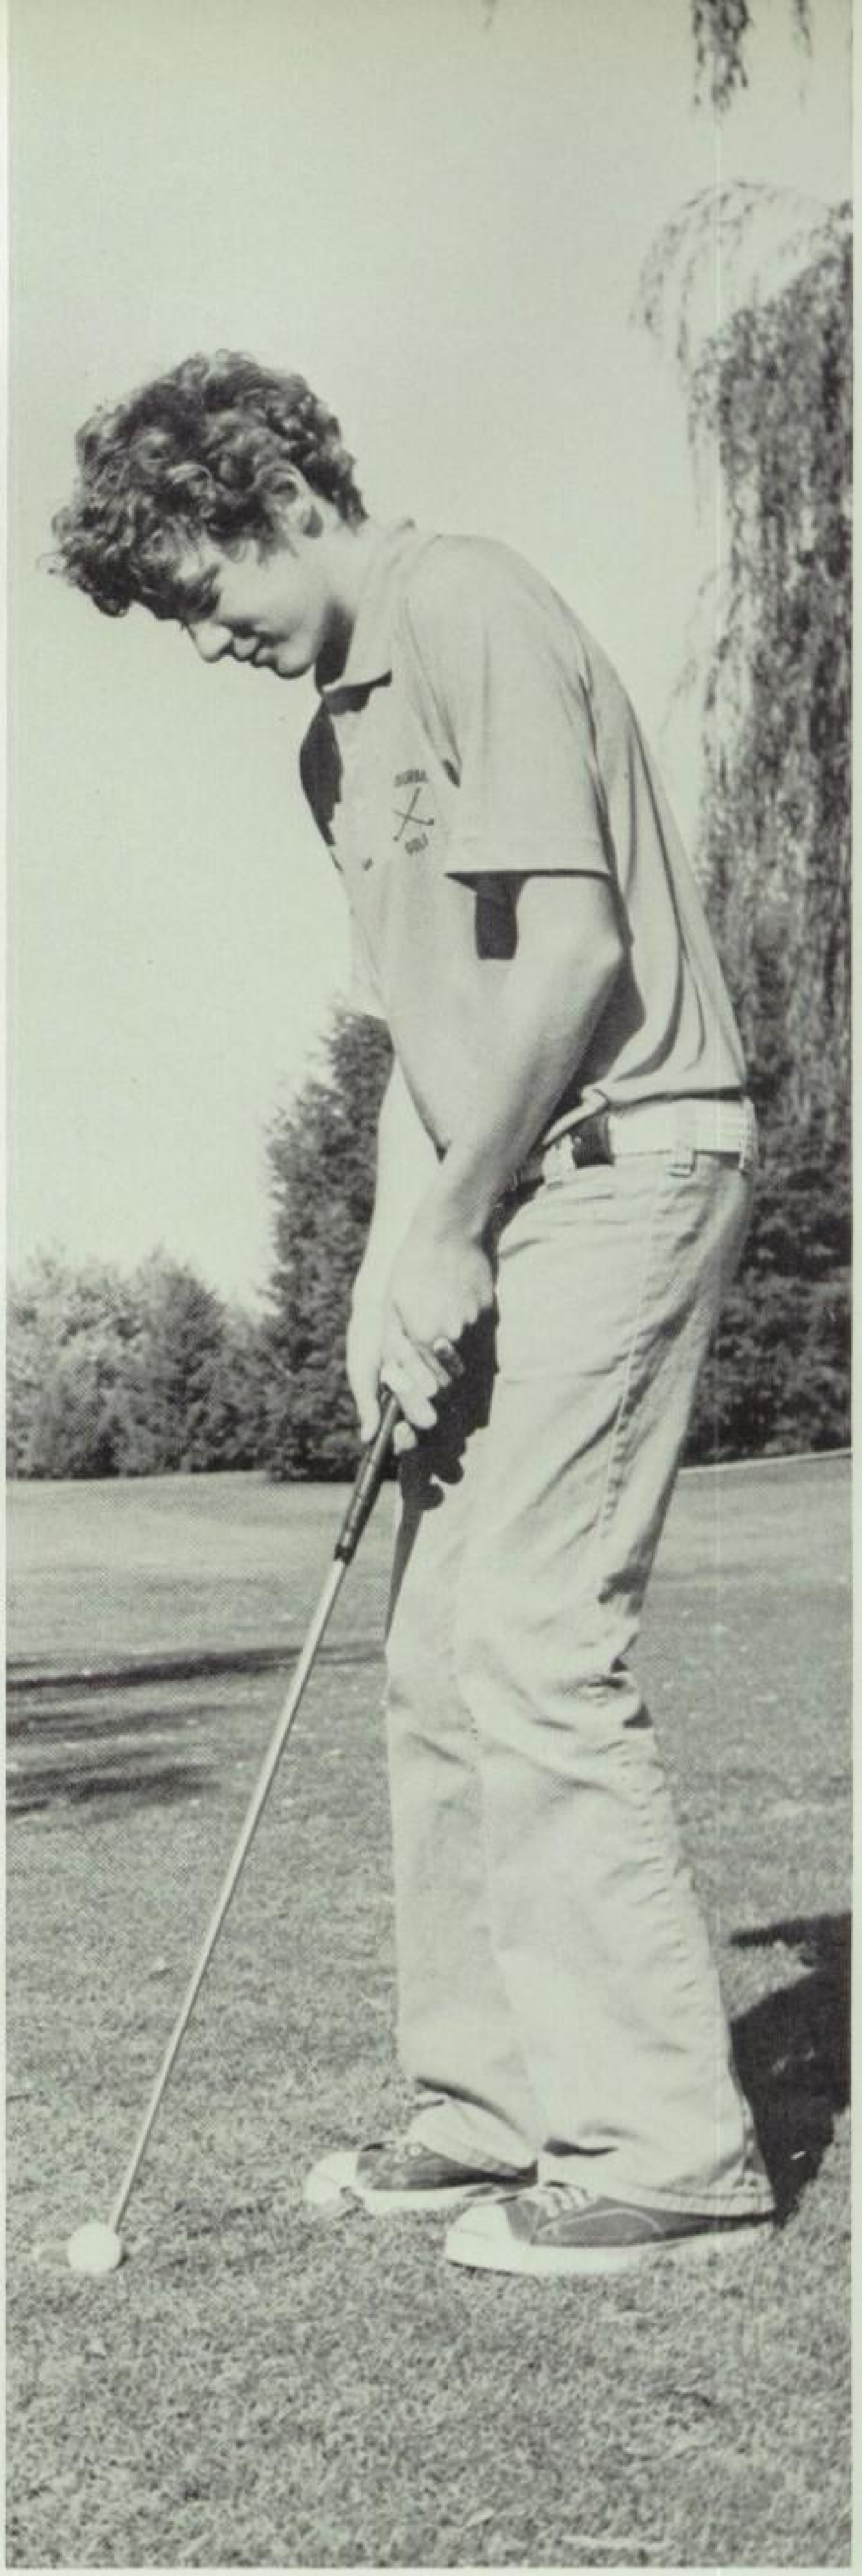
Track

The 1972 track team triumphed over Lancaster Catholic, York Catholic, and Vo-Tech, but was downed by four other teams. Three members of the team went to Districts: Steve Czyzewicz, who ran in the 880 with a time of 2:02.5, Bob Hughes, a sprinter, and Randy Stetler, who made a 5′10″ in the high jump. Tom Myers, Steve Czyzwicz, Bob Hughes, Scott Klinedinst, and Randy Stetler deserve special recognition for being outstanding members of the team.

Golf

This year's golf team, coached by Mr. Pete Piepmeier, ended up in fourth place in the league. The top five players on the team were Tim Jones, Howie Stein, Scott Furey, Ronnie Rosen and Tom Wandel. After a season of hard work, skill and determination, they ended up with the final standings of:

wins	losses	ties
4	5	1

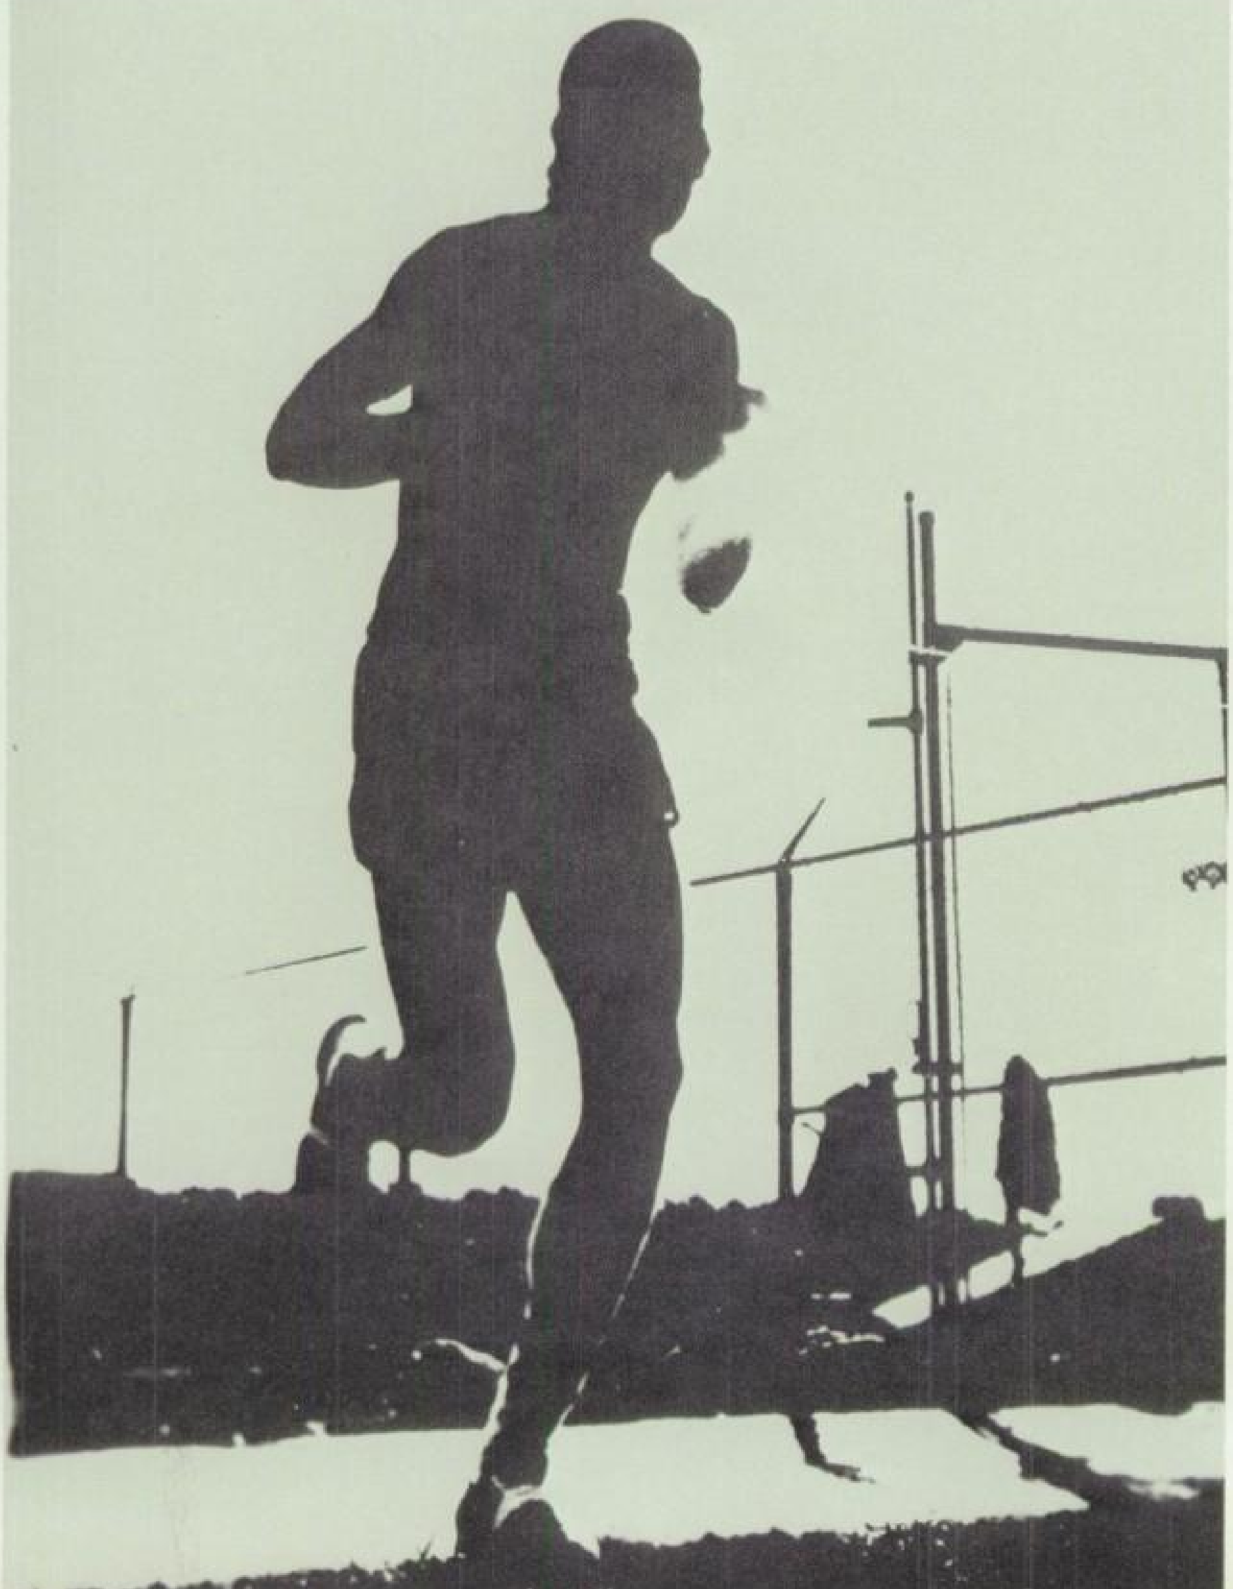


Cross Country

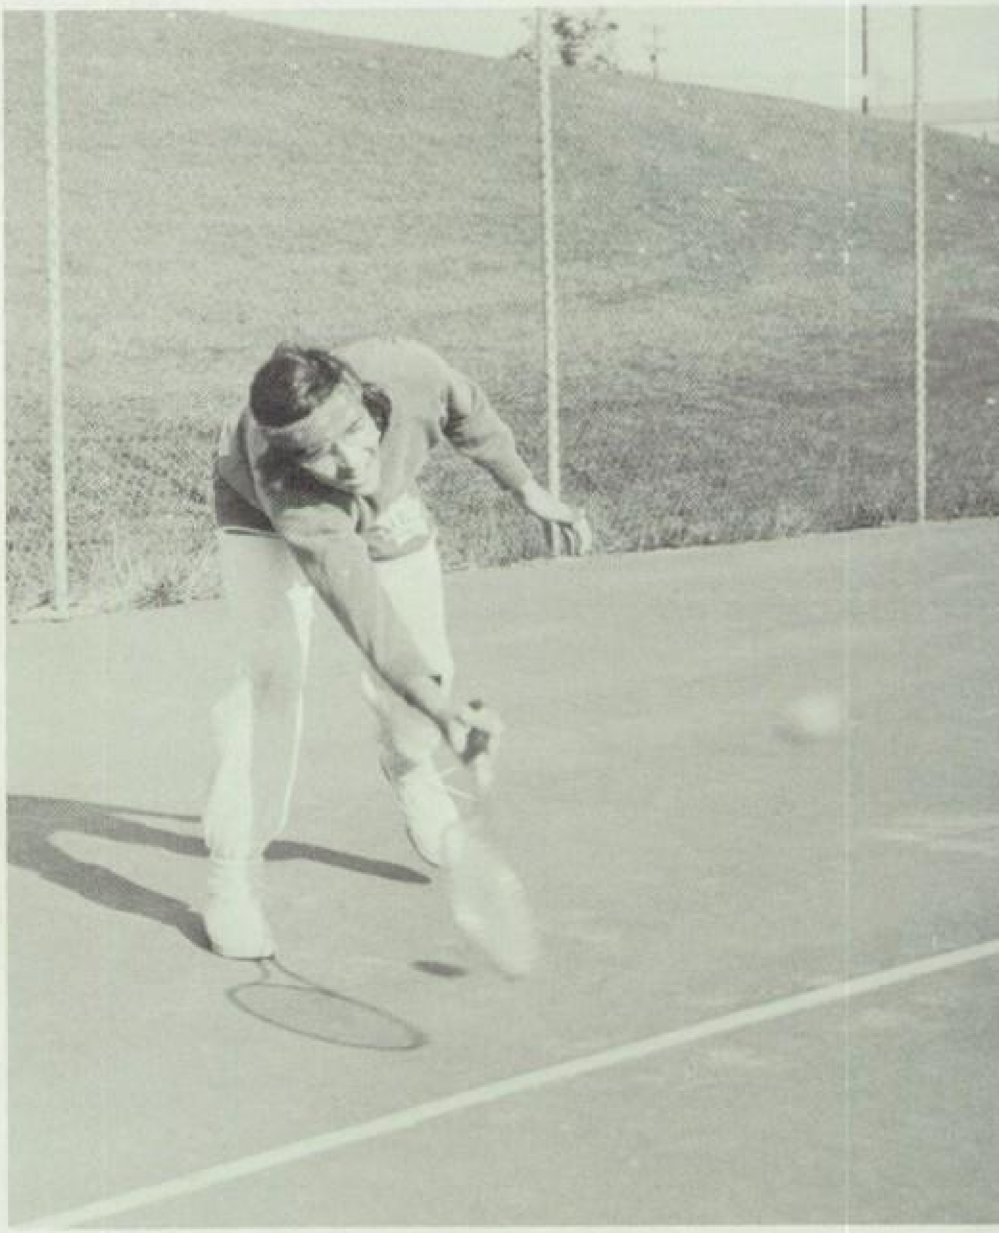
The cross country team was coached this year by Mr. Larry Ludwig, another newcomer to the Suburban staff. Although this year's team consisted of very few experienced runners, they showed a great deal of effort and enthusiasm. Even though the team only won two meets, it did have some outstanding runners, such as Chris Barr, Steve Beck, and Blake Thomas. The final standings were:

wins	losses
2	8

VO TECH



Tennis



Suburban regained the county tennis championship with a record of 12 wins and no losses. The climax of the season was the last match with West York. Here Suburban really showed its strength and remained unbeaten.

Greg Church deserves individual recognition for being the only undefeated player on the squad. Coach Branch Blair said he's looking forward to another great team next year, with players such as Steve Graham and David MacEslen. He feels certain of retaining the championship next year.

Basketball

This year's basketball season, Suburban's best, was an exciting and record breaking one. After 7 victories in league play the Trojans were defeated in hard fought competition by West York and later by Spring Grove. After these 2 defeats Coach Hasenfuss's boys went on to win their remaining 9 games.

The team set a school record as they scored 119 pts. in the game against South Western. Another school record was broken in the final league game against Red Lion when Randy Stetler became the all-time Y.S. scoring leader.

The most exciting league game was against Eastern, our only rival for first place in the east. A 65-62 victory put the Trojans on top where they remained to become YCIAA Eastern Division champs for the 2nd straight year.

The climax of the season was on Feb. 20 at Gettysburg College where the Trojans met West York for the county championship. In the first 4 minutes of the game Suburban led 12-0. The Trojans never gave up their lead, although West York moved to within 1 pt. with 4:54 left in the game. After a tense 4th quarter, Suburban took the game 67-62, winning its first county title ever.

The outstanding Trojan team of Roger Miller, Randy Stetler, Rick Duker, Steve Spencer, Paul Hurlbert, and Ronny Rosen posted a 74-60 victory over Chambersburg in District playoff competition before falling with a 71-52 loss to Lancaster McCaskey.

Swimming

After losing last year's Central Penn Championship with a 48-47 loss to Manheim Township, this year's Guppies went out to sink the league. Starting with a resounding victory over Milton Hershey, Coach Guyer's team smashed team after team, including Manheim Township, York High and Wilson, with whom they shared the championship two years ago. Guyer's Guppies reigned as the solo Central Penn Champions for the first time after a perfect season of 12 wins and 0 losses.

The quartet of Bill Barton, Bob Wardell, Bill Wagner, and Steve Stambaugh chalked up a new Central Penn and school record in the 200-yard medley relay during the meet against York High. Many other new records were set throughout the season. The Suburban mermen then went on to become District 3 champions. Steve Stambaugh claimed the 200 individual medley, and Wagner won the 100-yard breaststroke. The two also joined Jim Smith and Walt Young on the Trojan's victorious 400 freestyle relay quartet. The following week the Guppies went on to win the Eastern Inter-Scholastic swimming championships at Lawrenceville, New Jersey.

Steve Stambaugh continued on to win the state championship in the 200-yard individual medley at Penn State. The only District 3 swimmer to win a title, Steve scored with a winning time of 2:02.13 although he had made the finals with 2:01.87.

Wrestling

This year's wrestling team scored a see-saw record of wins and losses. After an initial loss to Central in a close match, the team came back to win over Susquehannock. In the third match, however, they suffered a crushing defeat to Dallastown. The Trojan wrestlers ended up with a total of 7 wins and 6 losses in league competition. They posted victories over Susquehannock, Hanover, Northeastern, Vo-Tech, Eastern, Spring Grove, and South Western.

The Trojan wrestlers came in 4th place in the Lititz Christmas tournament. Kim Wilkens was Suburban's only first place matman in that competition. Suburban had two Sectional champions, Greg Burg and Jeff Smith. In the 98 lbs. class semi-finals, Greg won in overtime by a referee's decision which enabled him to continue unbeaten in the season. In the finals Burg had a 6-2 victory while Jeff Smith won by default.

Volleyball

The 1971 volleyball team had swept the county and, in the beginning, it looked as if the '72 team would do the same. Downing their opposition in the first five games proved relatively easy; but, in the sixth game, West York toppled them. Only a few games later Susquehannock did the same. Not until the last game did the varsity know they were still in the running for the championship. Second chances don't come often, but YSH was lucky. They met and subdued Susquehannock in the Eastern Division play-offs, then faced West York for the championship. Coach Herrman's girls repeated the previous year's triumph by beating West York and capturing the 1972 YCIAA Championship. The Junior Varsity ended up as co-champs of the Eastern Division with a record of 9 wins and 3 losses.

Intramural Sports

Intramurals have always played an important part in the athletic activities at Suburban. This year a few new intramural sports were added due to student interest in these areas. Among them were water polo, boy's volleyball, and the formation of a girl's intramural swim team. The girl's swim team was started with the hopes of forming a varsity team in the future.

Homecoming

Homecoming 1972 started out with a glorious 28-0 victory over Dallastown, the Trojans highest scoring game of the season. The evening festivities were held in the cafeteria, which had been transformed into a deep blue sea. The theme, ''Something's Fishy,'' was backed up by two hundred paper fish. Music was supplied by the Elvis Davis Band. The evening was climaxed when Vicki Cook was crowned Homecoming Queen 1972.

Prom

It was back to the gym for the Junior-Senior Prom held on May 20, 1972. The Junior class turned back the clock to "the 20's," and the students danced to the music of "Fred." The court consisted of Cherrie Keller and John Steffee, Beth Daugherty and Andy Waltersdorf, Amy Lauer and Mike Melhorn, Joe Sant'Ana and his date, with Liz Serieno and Dave Almquist reigning as Queen and King.

Elections

On April 28th, the students of YSH were faced with the decision of electing Student Council officers. This decision proved to be quite difficult since there were thirteen candidates running. There were four tickets, consisting of JBJ, PPP, STP, JJL, and one independent, Joe Durney. Open lunches, revision of grading, and exemption of juniors from final exams were points included in most of the platforms. After listening to all the speeches in a packed auditorium, the students made their decision — Allan Pettit, Joe Durney, and Rae Paradise were the new Student Council officers.

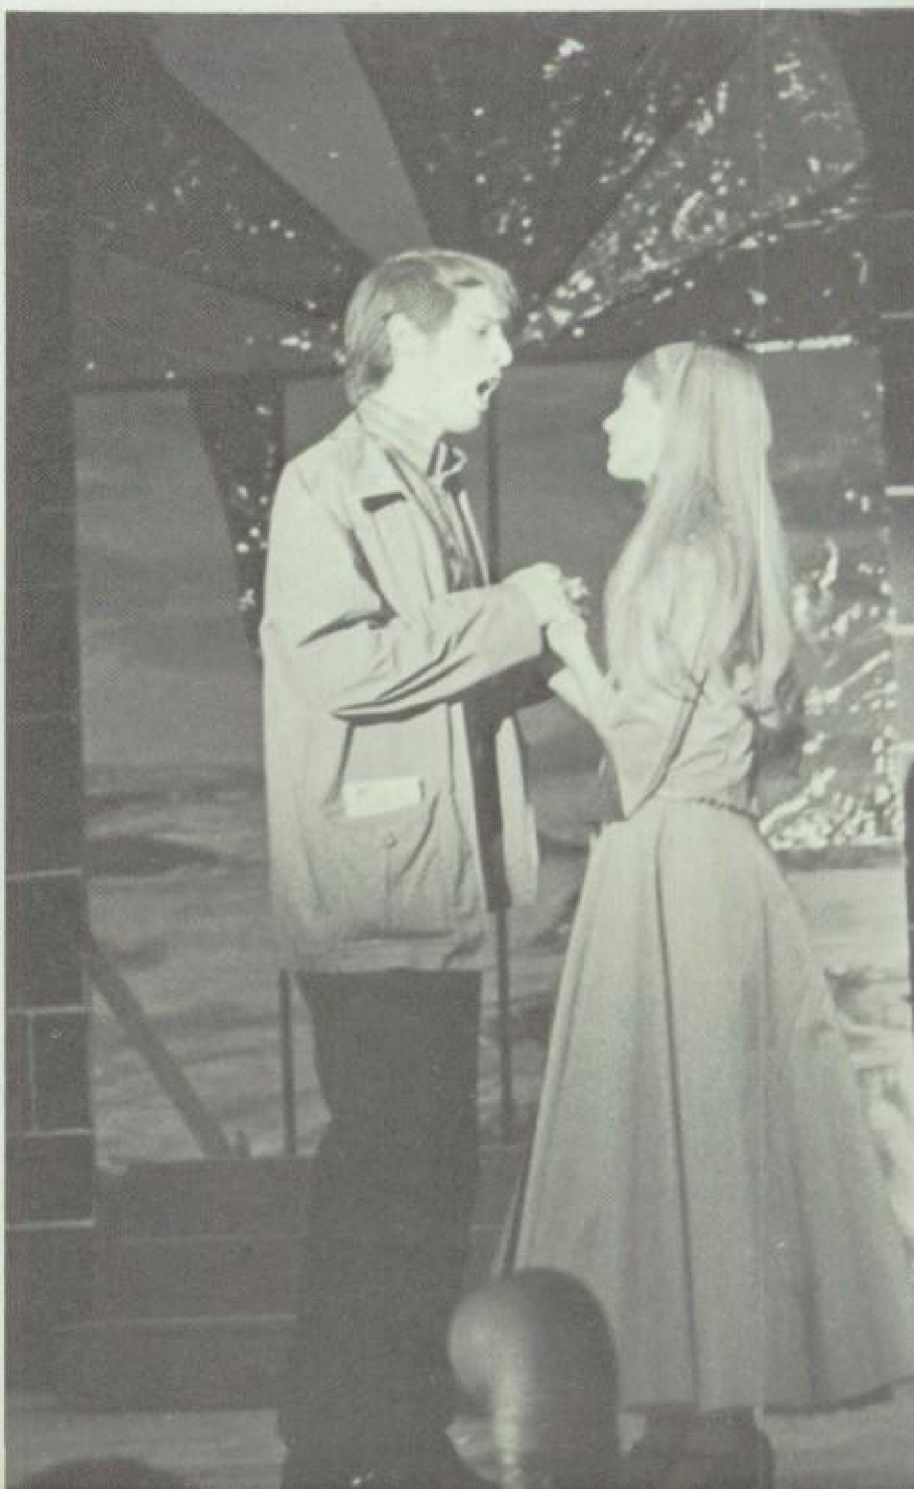
Musical

For three nights in March the York Suburban stage was transformed into the tiny Scottish village of Brigadoon. The story began when two strangers entered this mythical town. One of the strangers, Tommy (Chad Paul) fell in love with one of the Scottish girls of Brigadoon (Arlene Hoffman). However, Tommy and his friend Jeff (Dave Hogg) had so many doubts about staying in the town, they decided to leave. But Brigadoon had such an effect on Tommy that he couldn't stay away, and in the end he returned to Brigadoon.

Some highlights of the show were the boys wearing kilts, the rain scene (with real rain), and Jyl's big seduction.



Senior Class Play

This year's Senior class play, Thornton Wilder's "The Skin of our Teeth," was one of the best ever. Although the audience, and even some of the cast members, didn't completely understand the play, everyone thoroughly enjoyed it. Included in the production were a dinosaur, a mammoth, a fortuneteller, and refugees tramping down the aisles. Occasionally an actor would step out of his part to make comments to the audience about the play.

Mrs. Schaszberger did an excellent job of directing; and both performances went smoothly.

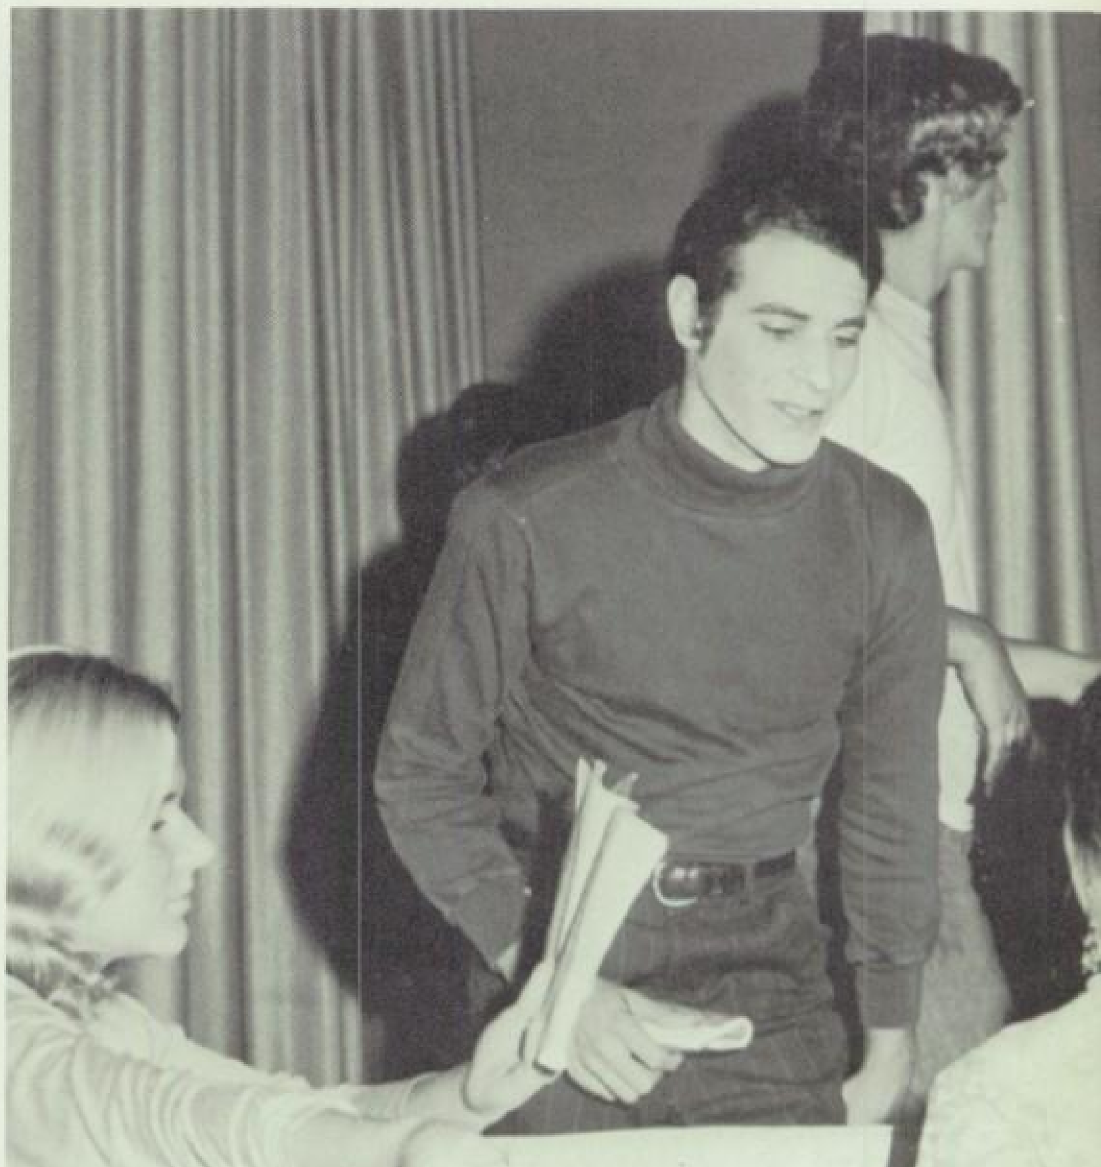
Thespian Play

This year's Thespian Society play was Kurt Vonnegut's "Welcome to the Monkey House." It was presented on October 25th and 27th and consisted of four scenes as practiced by a little theater group. Mrs. Schaszberger took over as faculty advisor, and Diane Krause was the student director. Among the members of the cast were Andy Coren, Eric Hausman, Rod Mundy, Mark Flaharty, and Penny Thompson.



Foreign Exchange

When I return to France, I will always remember my year in the U.S.A. and my American family. The friendly home and happy life I shared with my "family" helped me enjoy school and other activities. At first I felt "foreign," but AFS was always there to help. The most difficult task I had was to make friends, but the students at Suburban have really made me feel like one of them. I have tried to enjoy everything, especially because this might possibly be my only experience in the States. Things have not always been perfect, but the wonderful things have always erased the loneliness, and AFS has always been there. I will never forget York Suburban.

Love,
Annie

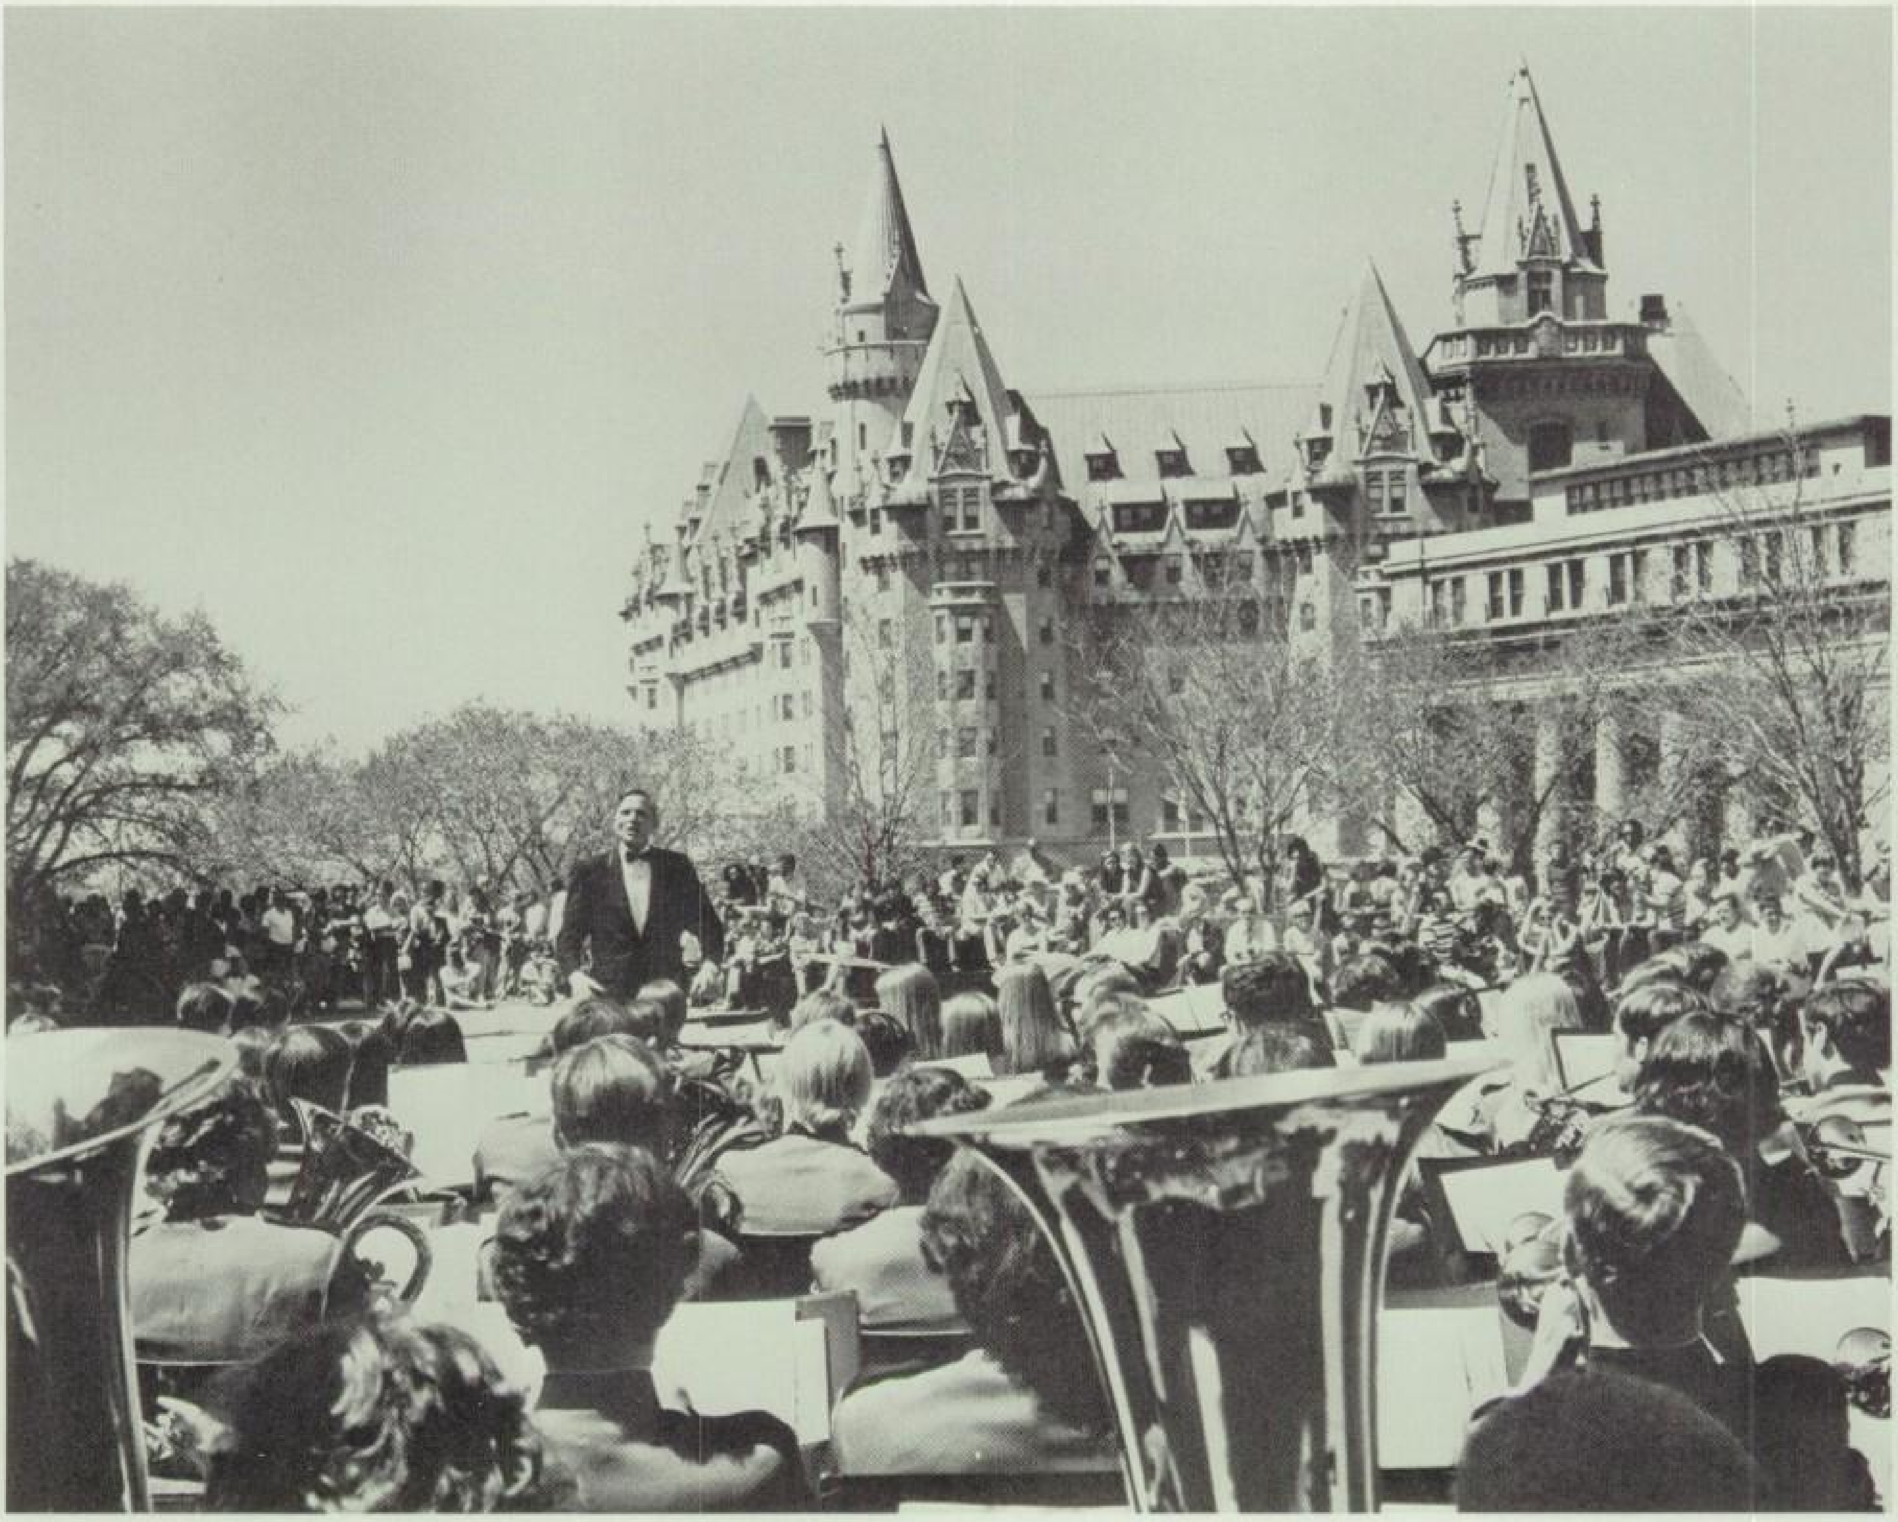
Senior Day

Allenberry was again the scene of a successful Senior Day. Despite the dismal weather of June twelfth, the seniors enjoyed a day of swimming, playing softball, and having one last "gab session." After everyone's appetite had been satisfied by a delicious smorgasbord, a fantastic performance by "Semi" climaxed the day.



YORK
SUBURBAN

Band Trip

Early Sunday morning, May 21, the York Suburban band loaded up five buses for the 900 mile trip to Ottawa. The Knights were the only band invited to play in Canada for the celebration honoring the Queen's birthday and the annual tulip festival. After arriving in Canada's capital city at 6 p.m., band members went directly to Ottawa University where they were housed during their stay. Two outdoor concerts were played at the multi-million dollar National Arts Centre, plus two performances at a neighboring high school. Wednesday evening a tired, but tremendous band arrived home.

Profile

This year's Profile staff, with editor-in-chief Jane Crovatto, has had their share of problems; working to meet deadlines, trying to keep organized without the "Profile office," and learning to take orders from their first eleventh grade editor. But after a lot of hard work and determination, the yearbook has finally become a reality.

Clubs

Suburban offers a wide variety of clubs, ranging from the Rifle Club to the Sign Language Club.

Organizations such as the Hostess Club, the Catalyst, and the Stage Crew work to benefit the school.

A.F.S. sponsored Annie Lang, our exchange student, this year.

F.T.A., now known as Y.E.A. or Youth Education Association, helped to familiarize its members with the teaching profession.

The Sign Language Club, a new addition this year, held a Christmas party for deaf children as one of its activities.

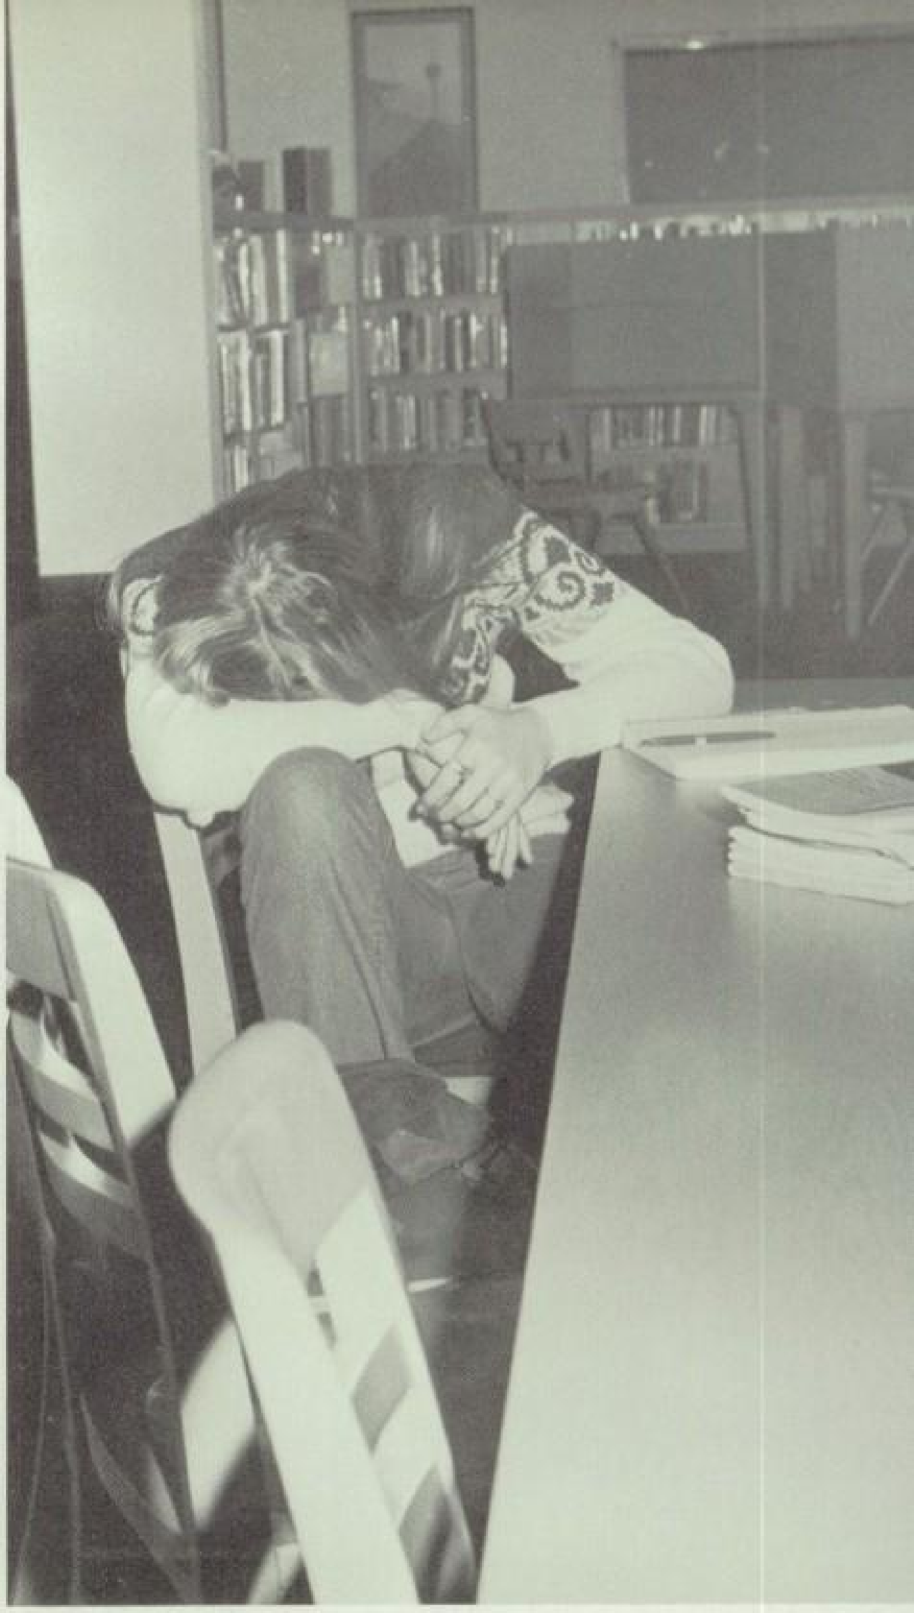
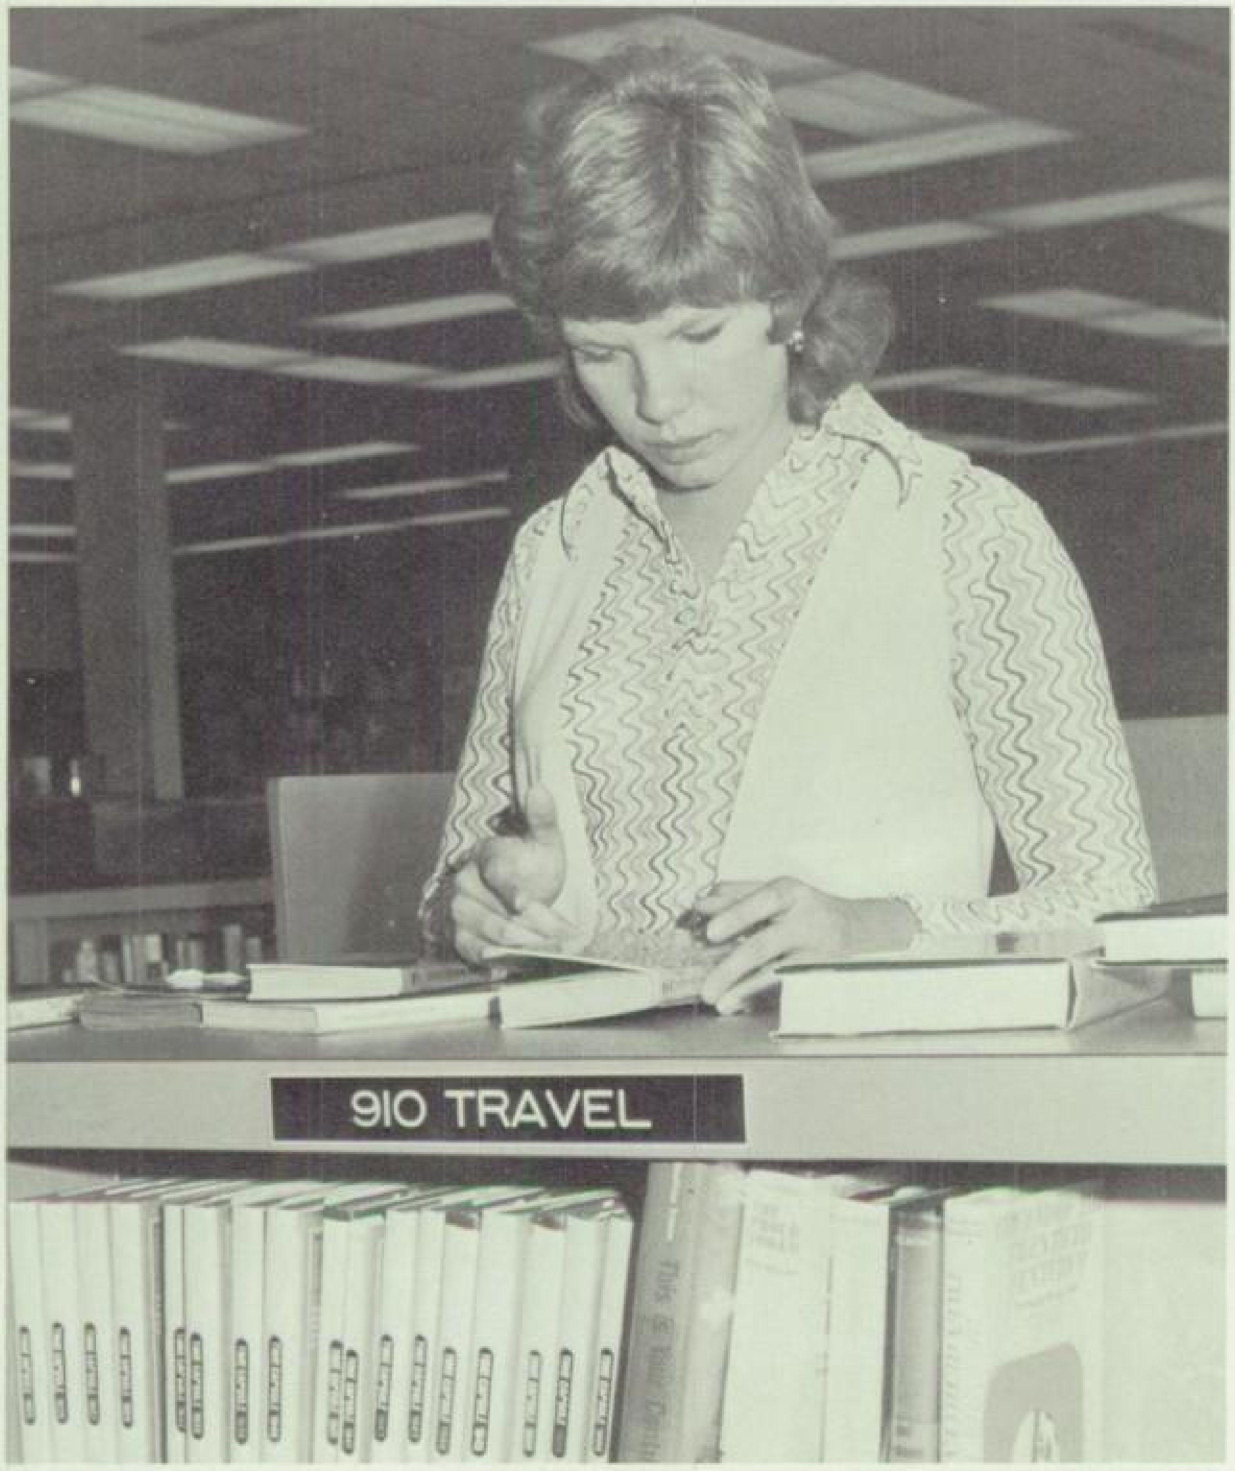
Senior Lounge

The Senior lounge is now in its fourth year of existence. Students continue to use it as a place to talk with friends, have a coke, listen to music, play cards, or just relax. The lounge remains a welcome alternative to the boredom of sitting in a study hall with all your homework finished.





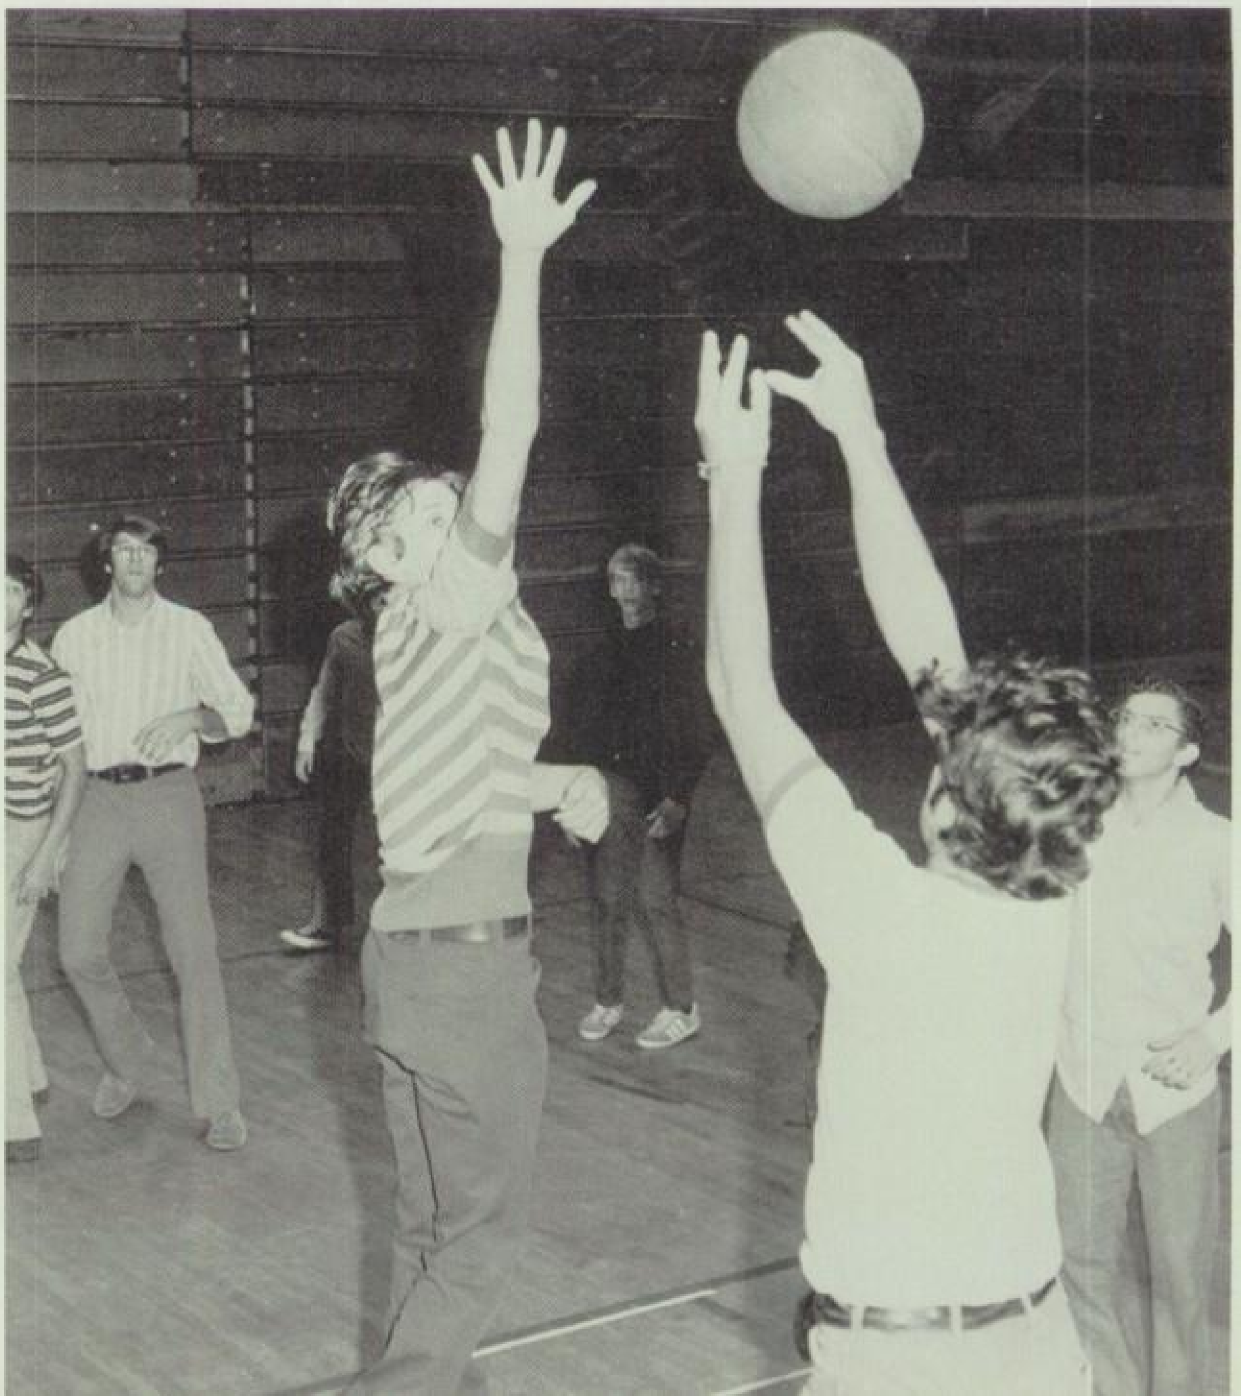
Library

The York Suburban library is filled with nearly 21,500 volumes. It contains approximately 125 different magazines. However, the newest development this year is the transfer of great emphasis on books to more emphasis on audiovisual aids. Instead of just referring to reading material, the student can now research by means of film strips, records, tapes, and cassettes. Through these new methods, learning has become more interesting and worthwhile. The York Suburban library remains one of the finest in research and relaxation.

Lunch

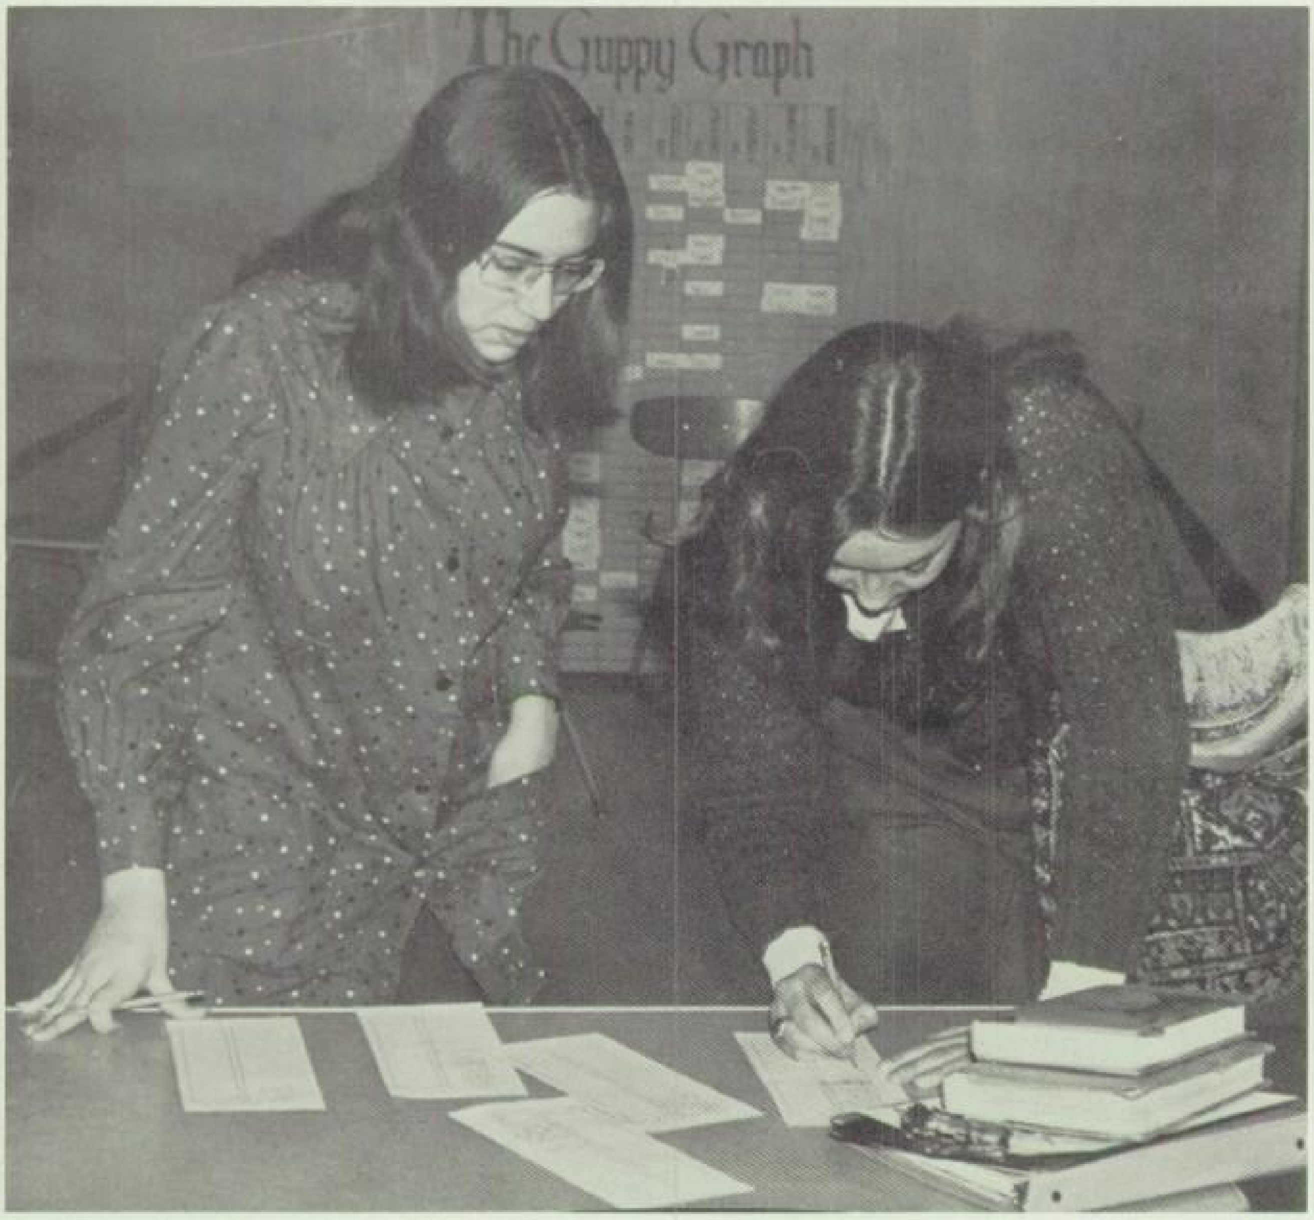
This year has seen a few changes in the Suburban lunch menus. New specialties were prepared, such as Johnny Marzetti, porcupine balls, surf cakes, deep sea dogs, barbeque turnovers, tuna burgers, and the welcome addition of fried chicken. Of course the complaints still remain, but at least there is some variety.

In addition to eating, many students also find time to play basketball, chess, do homework, or just relax.

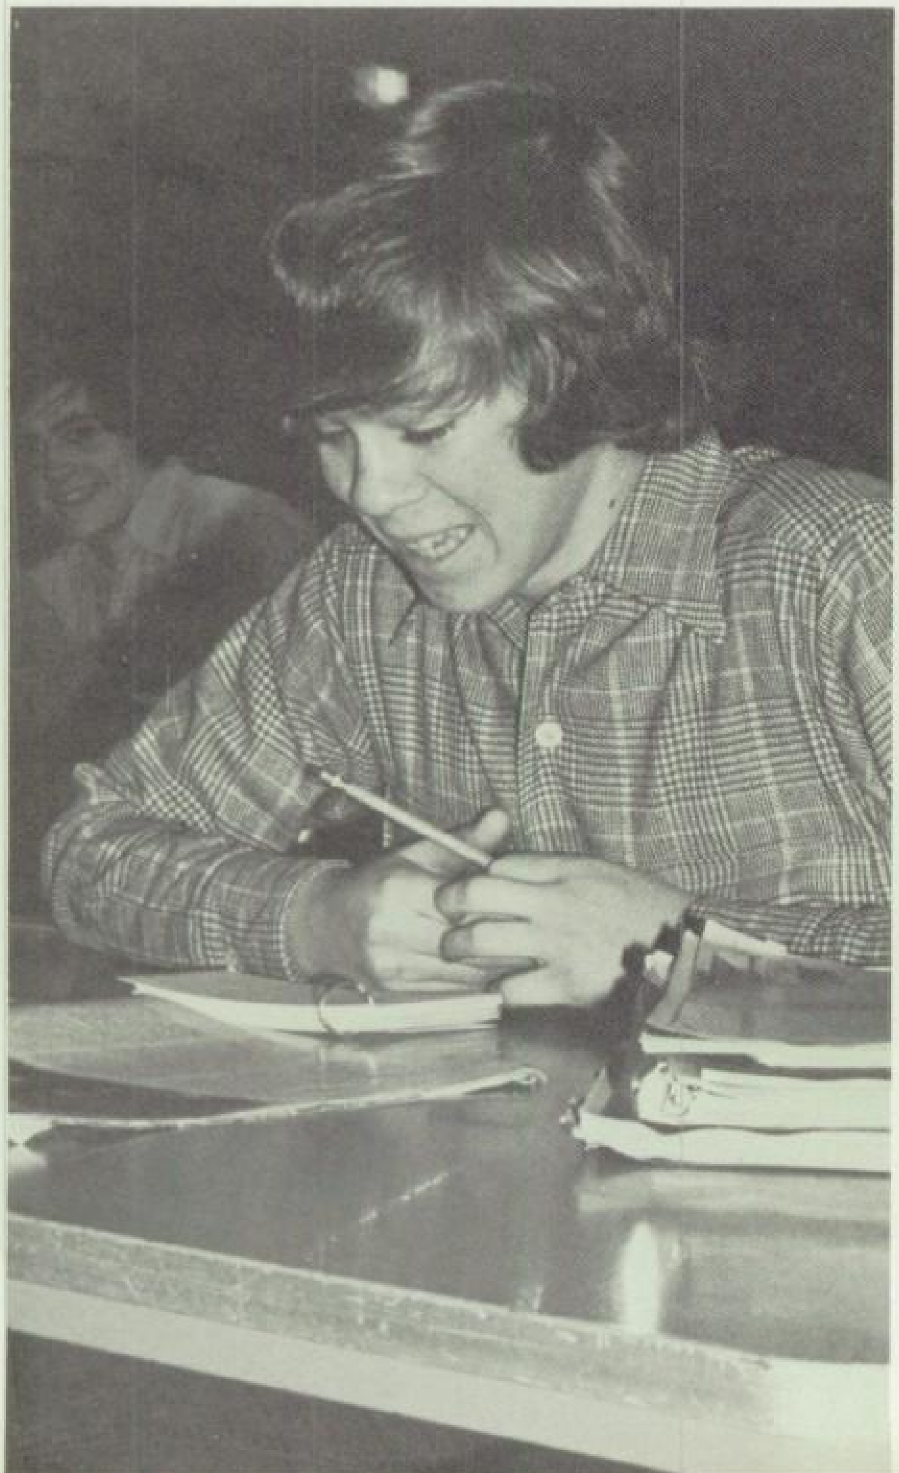


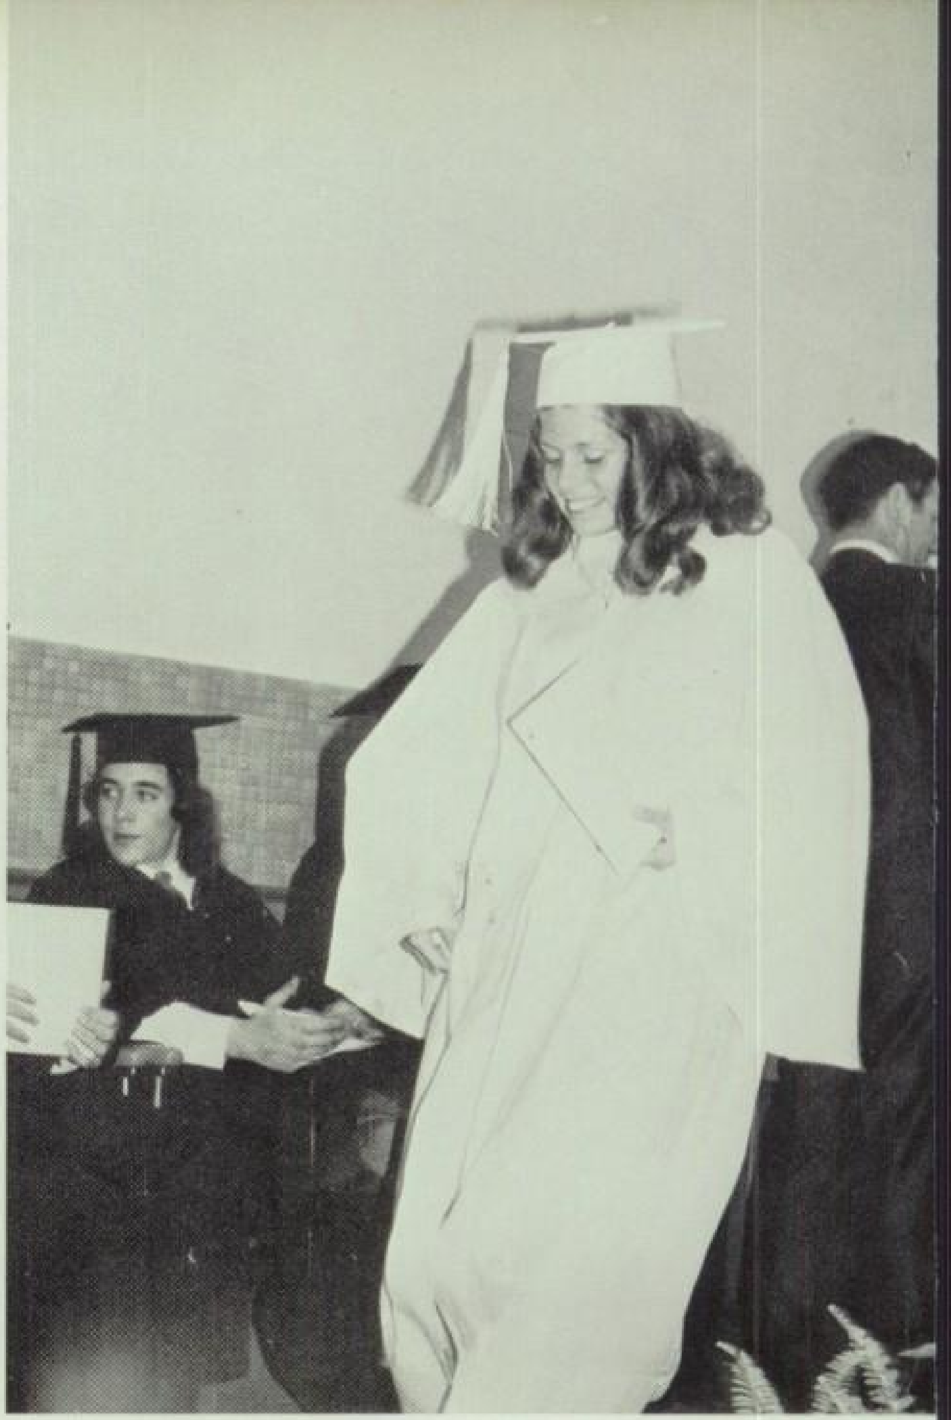
Rap Room

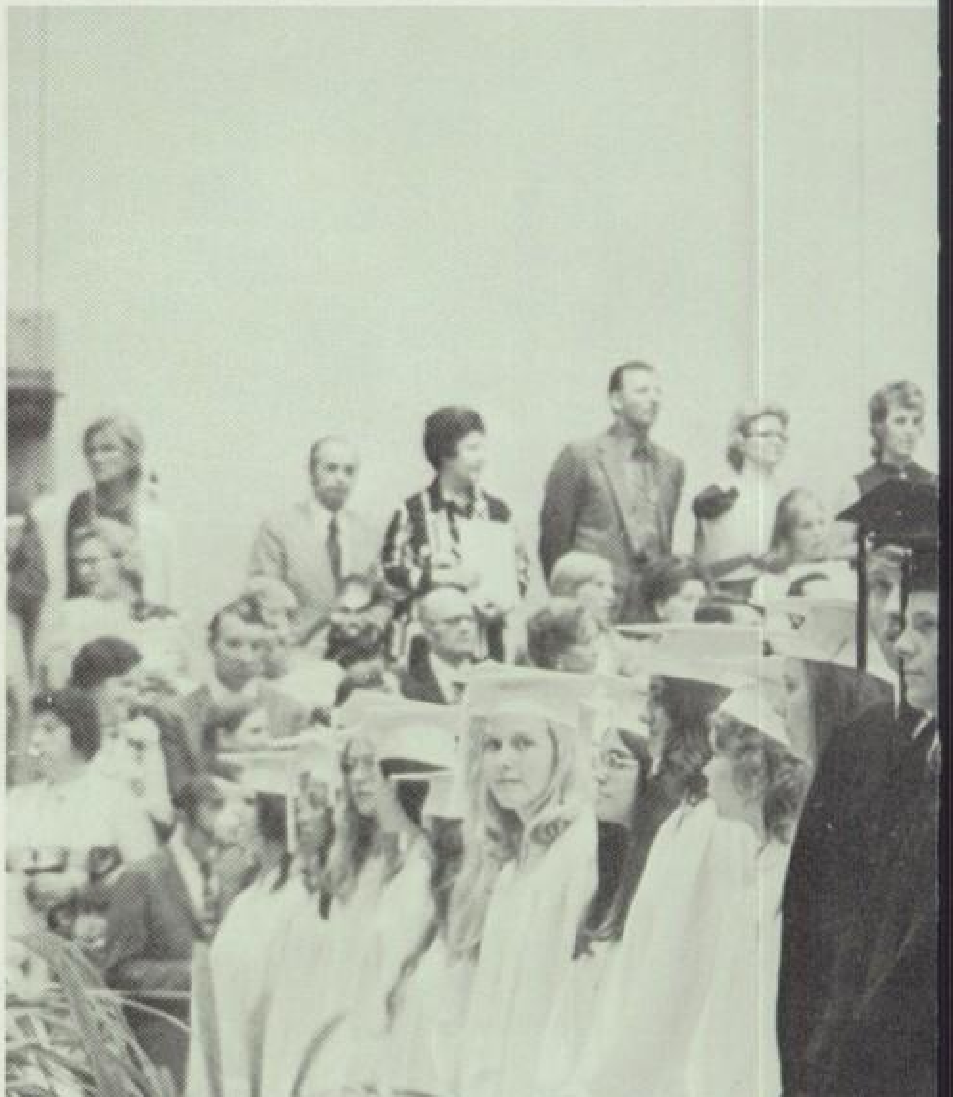
The Rap Room is now in its second year of operation, although numerous threats have been made to close it down due to disorder in the cafeteria during the lunch hours. For sophomores, juniors, and seniors, going to the Rap Room is an alternative to staying in a study hall.

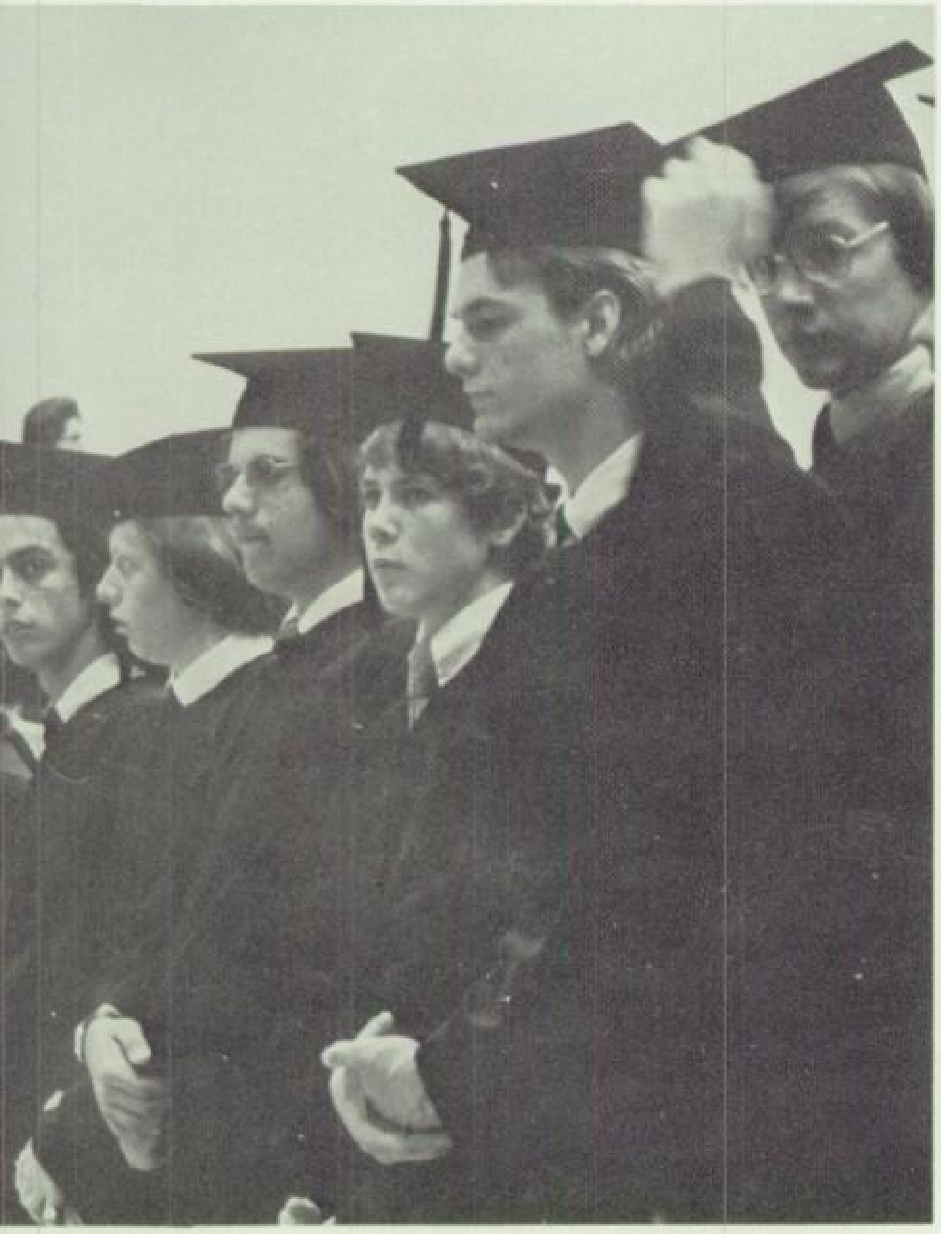


The Guppy Graph









Graduation

There were a few last minute changes in the graduation of 1972, but the seniors finally made it. Due to rain on June thirteenth, the commencement program was rescheduled for the fourteenth and was held indoors. The seniors marched in while "Pomp and Circumstance" was being piped in from the auditorium, where the band was set up on the stage due to a lack of space in the gym. After speeches by Andy Hoover, Dave Westerhold, and Jean Kranich, the diplomas were given out by Mr. Paul Wolfgang, the school principal.

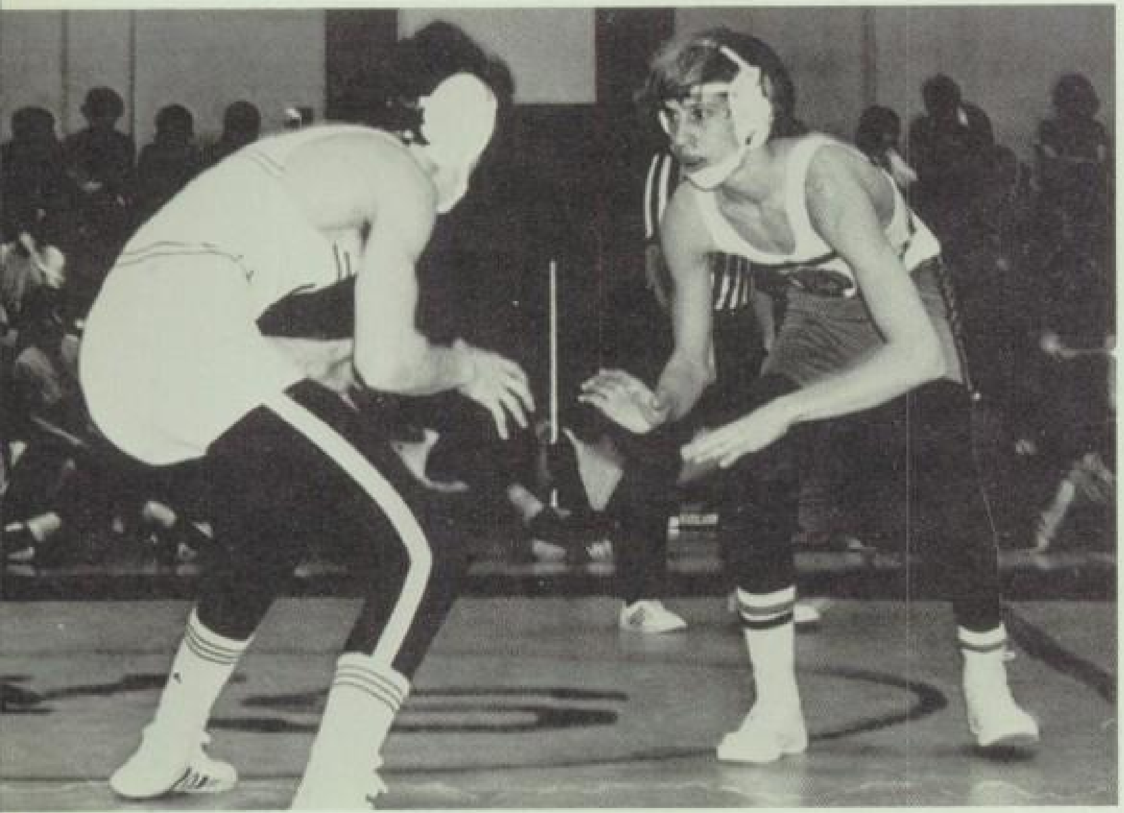
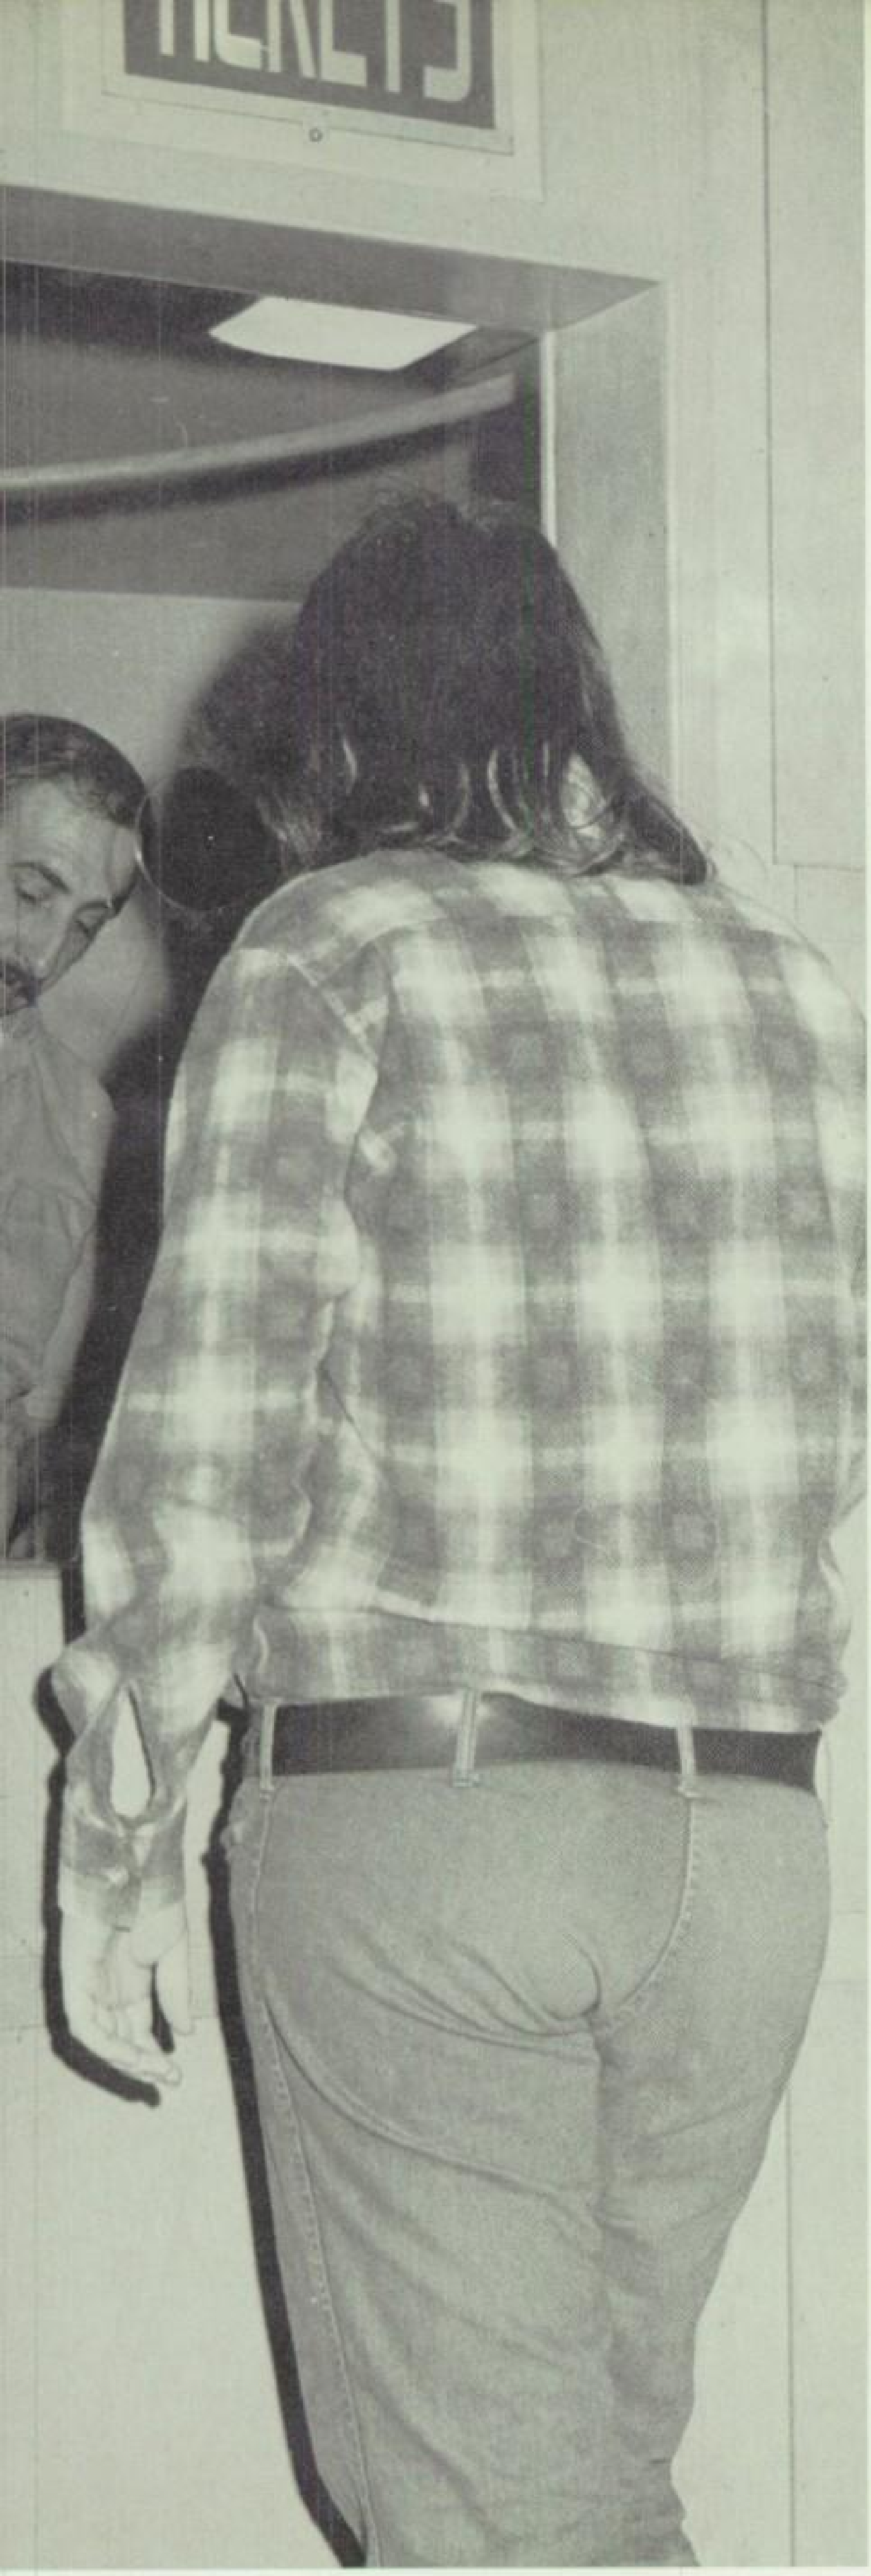
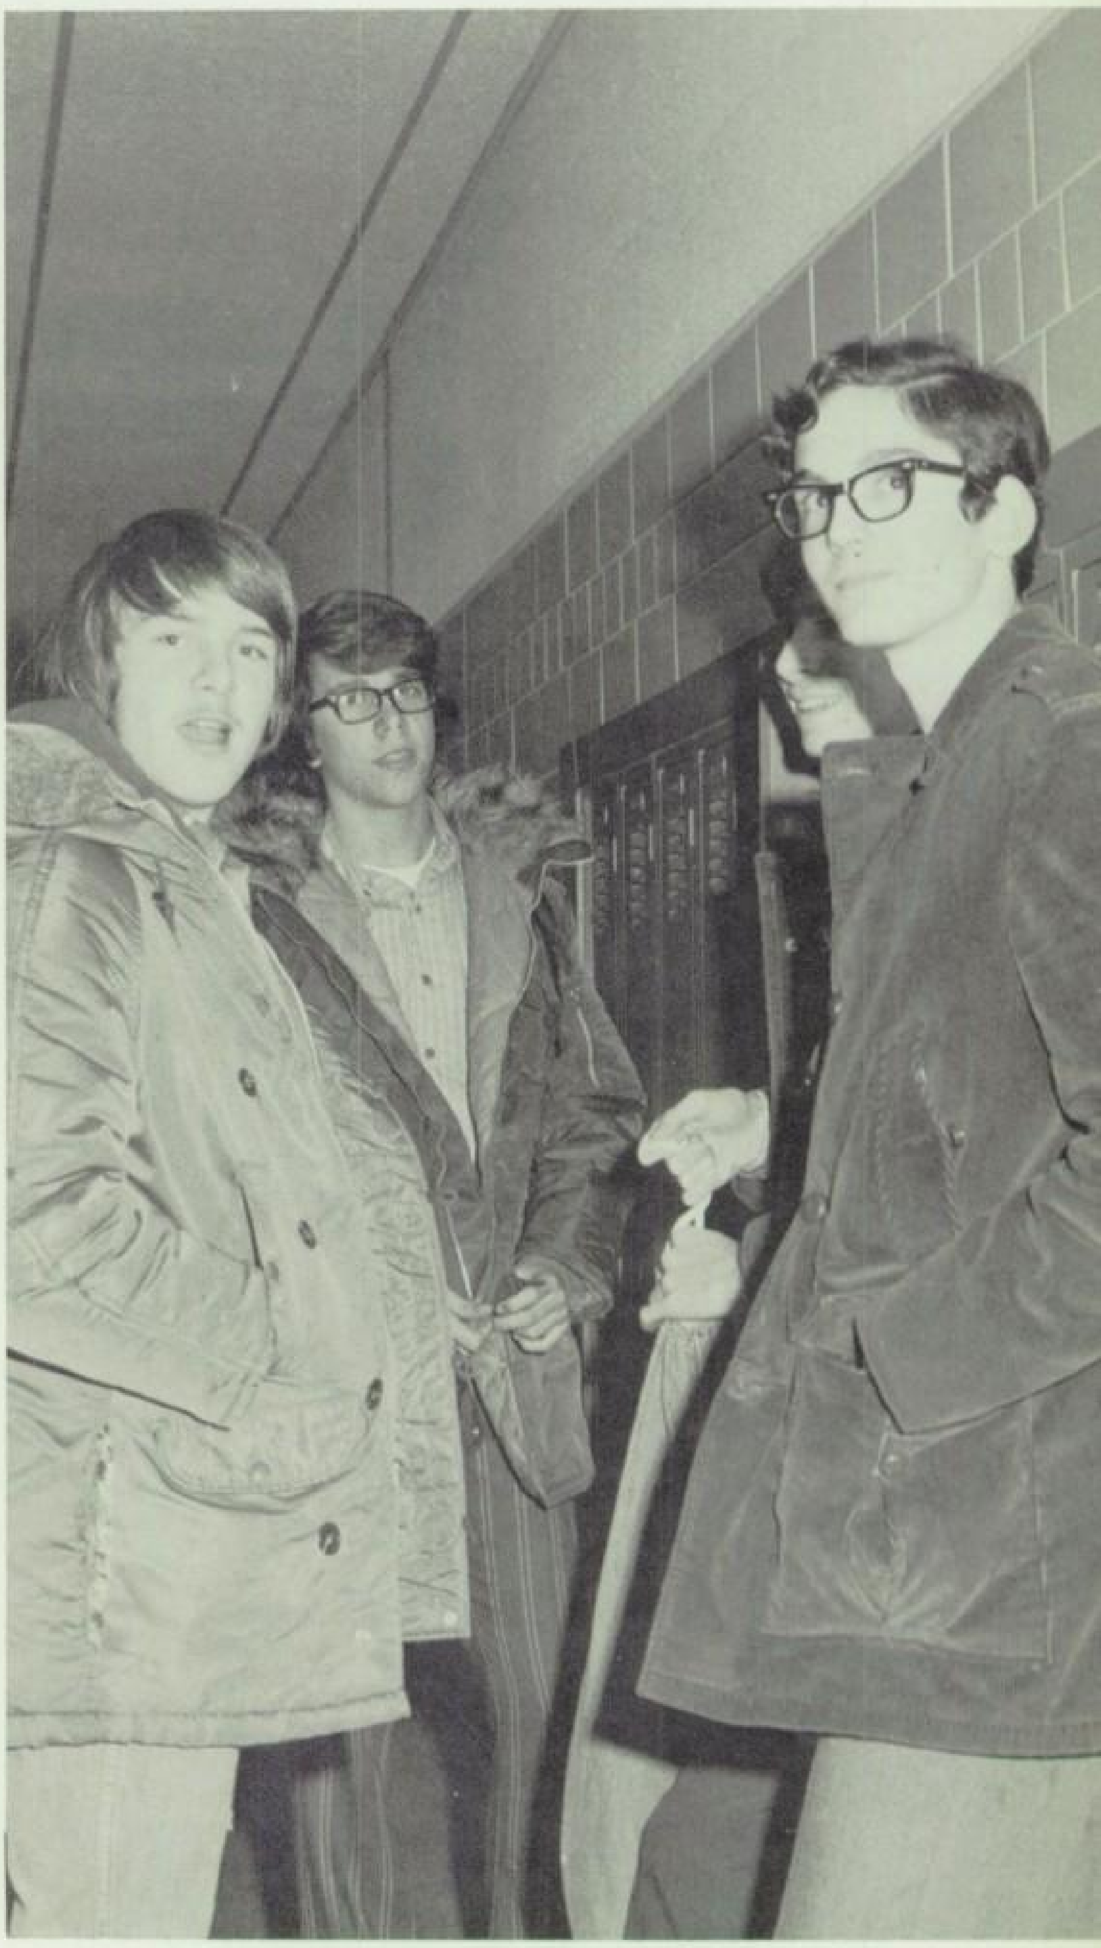
Conclusion, end, finale —
words are synonymous —
people are not.

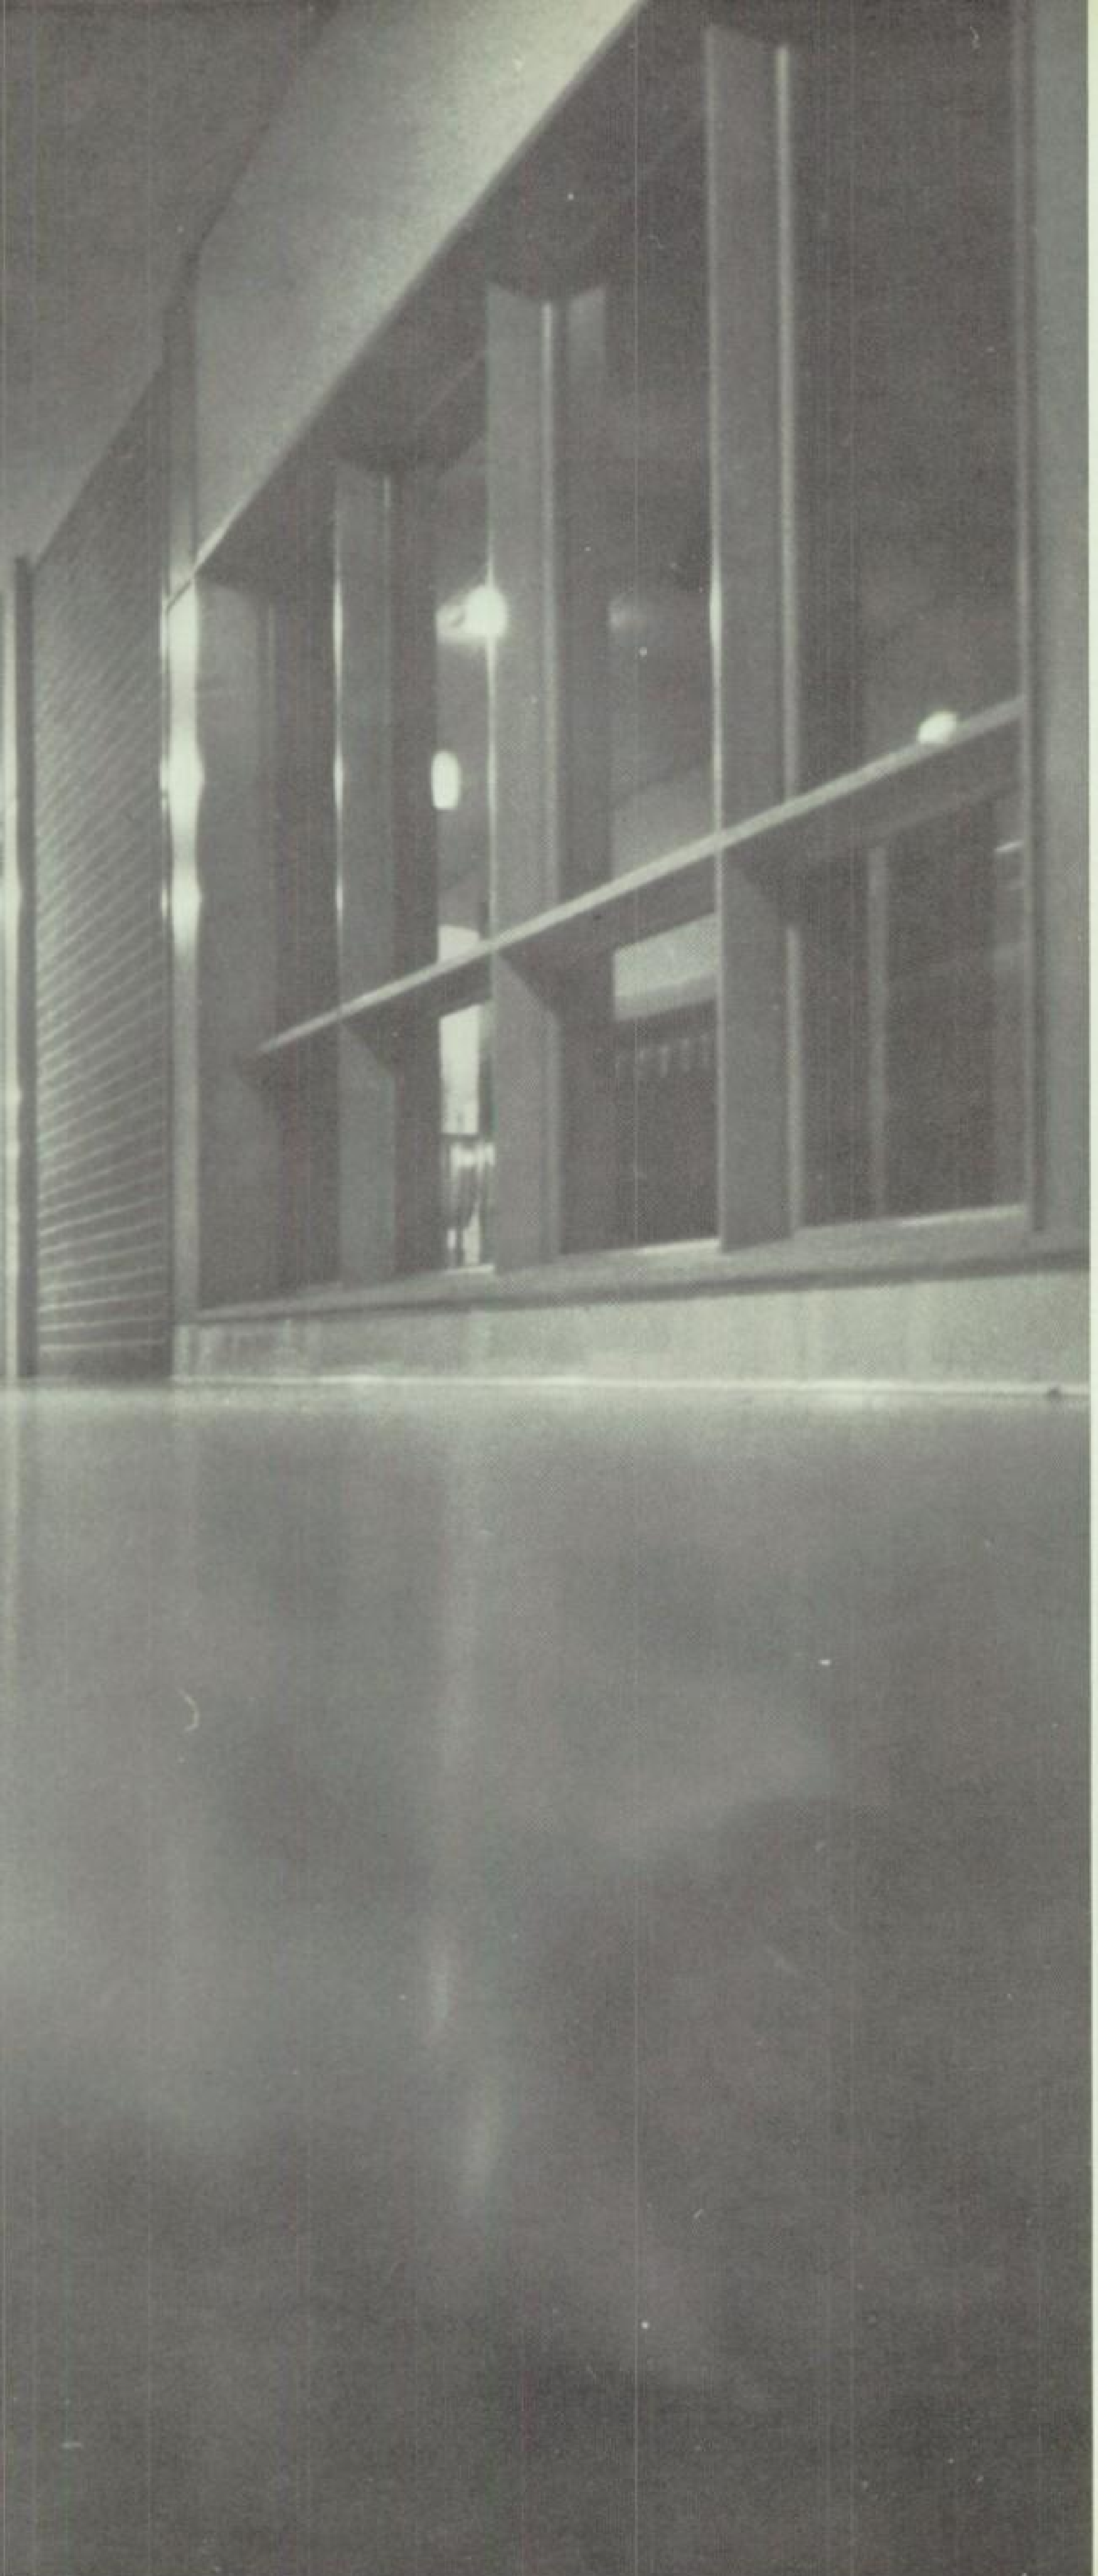


Here can be found the faces of individuals —
friends, enemies, teachers, and
wished-to-have-been-acquaintances.
These are the people
we will remember.

EXIT







The academic year is
over;
the lives of these
individuals — ourselves —
commence.
Forever —
in search . . .

SAY
TAKE MY HAND,
I'M A STRANGER IN . . .

I'd much rather
a GUPPIE be,
than any other

My job is finished.

From the time I was chosen Editor to the last deadline in mid-February, time passed rapidly. The clock has stopped. Everything is complete, and the book is behind me.

There are new challenges to seek.

Many members on the staff made meaningful contributions — others failed to do so. This I regret, for satisfaction is a great reward.

My sincere thanks to those who worked diligently.

Our book speaks for itself.
